

Faculty Member Contact Information

Name: Christopher B. Rosnick, PhD, MPH

Department: Psychology

E-mail Address: crosnic@siue.edu

Phone Number: 618-650-5351

Campus Box: 1121

Description of the URCA Assistant Position

This posting includes one funded position. In addition, the faculty member may be willing to mentor additional, unfunded students.

How many unfunded students is this professor taking in addition to his/her one funded student? 0

(Students, if the faculty member will have both funded and unfunded students, he or she is free to select which student receives the funding. Funding cannot be split up between multiple students; only one student will receive it.)

Which of the following apply to this position?

- This position is **only** open to students who have declared a major in this discipline. **M**
- This project deals with social justice issues. 
- This project deals with sustainability (green) issues. 
- This project deals with human health and wellness issues. **+**

How many hours per week will your student(s) be required to work in this position? 9

(Minimum is 6 hours per week; typical is 9.)

Will it be possible for your student(s) to earn course credit? Yes No

If yes, in which course? Psyc 491

If yes, for how many credit hours? 3

Location of research/creative activities: My lab – AH0312

Brief description of the nature of the research/creative activity:

We will be collecting data to assess the differential impact (if any) of intrusive thinking and thought suppression on cognitive outcomes.

Brief description of student responsibilities:

Students will do literature reviews on the topic, collect the data, score surveys, and enter data into an SPSS database.

URCA Assistant positions are designed to provide students with *research or creative activities* experience. As such, there should be measurable, appropriate outcome goals. What exactly should your student(s) have learned by the end of this experience?

My assistant will learn how to search PSYCINFO for relevant articles, how to enter data into SPSS, and how to do basic statistical analyses. Depending on the data, the assistant will assist in submit to a conference and putting together a research poster.

Requirements of Students

If the position(s) require students to be available at certain times each week (as opposed to them being able to set their own hours), please indicate all required days and times:

Students can set their own hours

If the location of the research/creative activities involves off campus work, must students provide their own transportation?

N/A

Must students have taken any prerequisite classes? Please list classes and preferred grades:

I'd prefer students to have taken some form of stats/methods class (e.g., PSYC 220/221) and have earned at least a B

Other requirements or notes to applicants:

N/A
