

Principal Investigators U.S. Department of Labor Employment and Training Administration Regional Innovation Grant for Vision 20-20

T. R. Carr, Ph.D.
Professor of Public Administration & Policy Analysis
Southern Illinois University Edwardsville

John C. Navin, Ph.D.
Professor of Economics and Finance
Southern Illinois University Edwardsville

Dr. Navin is a professor in the Department of Economics and Finance with expertise in the area of management and finance. He has extensive experience in economic research and project management. As an economist, he brings management and critical analytic skills to the project. Dr. Navin will assume responsibility for supervision of the web-site and supervision of project associates.

Dr. Carr is a professor and chair of the Department of Public Administration and Policy Analysis and teaches quantitative methods and research design courses at the graduate level. He has extensive understanding of issues related to local economic development, regionalism, and has experience in research project management. As department chair he brings management skills in the areas of budgeting and fiscal management, staff supervision, coordination and scheduling as well as team building skills.
