- -
- -
- -

- -
- -
- Emphasizes format of the test and what material is tested

17. Additional comments?

- -
- -
- -
- Best in department along with prof Brant =)
- Good professor!
- -
- None. Reed is a great teacher
- -
- -
- I felt the use of CPA questions on the exams was slightly unfair. it would have been helpful to see questions similar to those used on the tests for the students who struggle to understand CPA questions. I think it would prepare the students more to teach them how to understand the material in a CPA question
- Reed is the only accounting prof I've had more than once and he's great both times
- -
- -
- Enjoy Reed's Classes and this class was very helpful.
