I like all the examples that were given in class.

14) Please comment on at least one thing the instructor could have done that you believe would have enhanced your learning.

I like that we take notes ourselves, but if we missed something, it would be nice to have powerpoint slides to refer back to.

15) How can this course be improved?

Have slides along with handwritten notes.

16) Please comment on the text and other teaching materials used in the course.

Everything that was used was effective

17) Additional comments:

Reed is a good teacher, and helps students when need be.

having group quizzes and take home quizzes only thing that made me able to pass the class

14) Please comment on at least one thing the instructor could have done that you believe would have enhanced your learning.

the examples we did in class were nothing like the exam questions or quiz questions. so I would prepare for test by using examples then be shocked by the test because they didn't compare

15) How can this course be improved?

- using better examples
- using different teaching methods

16) Please comment on the text and other teaching materials used in the course.

Never really used the book but thankful because the book weighed 10lbs
