# four Theme Parks

## Magic Kingdom

Some people say you can truly feel the magic of Disney when you step foot inside Magic Kingdom. Separated in to 5 areas, the park has enough to keep you busy for days. Soar into space on Space Mountain or

pick up a ghost on the Haunted Mansion!

## Disney's Hollywood Studios

"Welcome to the Hollywood that never was and always will be," is the famous quote following DHS. From Disney Junior Live! to rocking out with Aerosmith on a zero to 60 in 3.5 second rollercoaster, there is never a dull moment at DHS.

## Epcot

Spend some time in Future World riding to Mars or test driving a car on Test Track. Then walk around the World Showcase and learn about 11 different countries and their cultures.

## Animal Kingdom

Animal Kingdom is home to Expedition Everest - a coaster that takes you deep into the alps and explores. Also, take a tour around the safari and see some cool animals! Tip: the animals are most active in the morning!

## Disney's Typhoon Lagoon

Escape to Disney's Typhoon Lagoon water park for a storm of fun in the sun! Snorkel with sharks, stingrays and tropical fish in the coral reef. Plunge

down rushing rapids, sunbathe on the sandy beach and glide down the lazy river on a relaxing raft ride. After an epic typhoon hurled surfboards into palm trees and tossed boats like toys, the storm-soaked Mount Mayday became a topsy-turvy oasis of water-filled adventure!

Magicbands are one of the newest things to come to the Walt Disney World Resort. Your Magicband is your key to the world. It contains your hotel room key, park admission, Fastpasses, and you can even charge purchases in the park to your hotel room.

# two Water Parks

## Disney's Blizzard Beach

Discover frosty fun for the whole family at Disney's Blizzard Beach water park, a one-time ski resort that has

melted into a watery wonderland. Zip down the slushy slopes of Mount Gushmore on one of the world's tallest and fastest waterslides. Float down the tranquil river and sunbathe on the white-sand beach. Children under 48 inches tall can even splash around in their own water play area with a snow-castle fountain and kid-sized waterslides.

When the night falls, the fun doesn't have to stop! Make sure to watch the nighttime shows at three out of four parks. Wishes at Magic Kingdom is a firework show brightly displayed behind Cinderella's Castle. Fantasmic is a laser, light and

water show in Disney's Hollywood Studios that stars the one and only Mickey Mouse! And don't forget to check out Illuminations in Epcot around World Showcase Lagoon.
