“As our mission statement reminds us, SIUE students are challenged to realize their full potential to positively impact and shape a changing world.”

Dr. Randall G. Pembrook, SIUE Chancellor
Welcome to this edition of the SIUE Chancellor’s Report. As the University concludes its 2013-2018 Strategic Plan, we will soon embark on an even more aggressive agenda for the coming years. But first, I would like to take a moment to celebrate significant achievements that are a direct result of the hard work and ingenuity of dedicated higher education professionals, namely, the faculty and staff of Southern Illinois University Edwardsville.

Here is just a snapshot of recent progress that is ensuring a quality education for our students and supporting significant economic and workforce development for Southwestern Illinois:

- Increased scholarship support for students
- Successful Communities Collaborative: siue.edu/successful-communities
- Enrollment growth in many areas and record retention improvements across the board
- #1 producer of bachelor’s degrees in the St. Louis Metropolitan Statistical Area (MSA)
- #1 ranking for research expenditures among “Emerging Institutions in the Midwest” by the National Science Foundation
- $32 million Science East building renovation
- Best Regional Universities Midwest ranking for the 15th consecutive year by U.S. News & World Report
- Numerous new or nationally ranked programs in high-demand careers
- One of 30 schools nationally to receive the 2018 Higher Education Excellence in Diversity (HEED) award from INSIGHT Into Diversity magazine (for the fifth consecutive year)
- 11th safest college campus in the nation
- Giving totals at 13.5% above goal
- 260,000 student service hours contributed to our community
- Top 20 national student-athlete graduation rate
- Guinness world record for book donations

I am incredibly proud of the dedicated SIUE faculty and staff whose efforts have made these and many other achievements possible. We now set our sights on the path ahead.

The coming year will be one of renewed strategic planning and teamwork, something for which the SIUE campus community is known and appreciated. We look forward to identifying and pursuing our next round of goals as we continue our mission to develop professionals, scholars and leaders who shape a changing world.

Randall G. Pembroke, PhD
SIUE Chancellor
Southern Illinois University Edwardsville provides students with a high-quality, affordable education that prepares them for successful careers and lives of purpose.

Undergraduate, Graduate and Doctoral Programs
- College of Arts and Sciences
- School of Business
- School of Dental Medicine
- School of Education, Health and Human Behavior
- School of Engineering
- School of Nursing
- School of Pharmacy
- Graduate School

SIUE Campus
- 25 minutes from St. Louis
- Home to a diverse student body of more than 13,000
- 2,660 acres
- Enhanced by campuses in Alton and East St. Louis

NCAA Division I Athletics
- Ohio Valley Conference
- Mid-American Conference (men’s soccer and wrestling)
Mission
Southern Illinois University Edwardsville is a student-centered educational community dedicated to communicating, expanding and integrating knowledge. In a spirit of collaboration enriched by diverse ideas, our comprehensive and unique array of undergraduate and graduate programs develops professionals, scholars and leaders who shape a changing world.

Statement on Diversity
All societies and peoples have contributed to the rich mix of contemporary humanity. In order to achieve domestic and international peace, social justice and the development of full human potential, we must build on this diversity and inclusion.

- Southern Illinois University Edwardsville nurtures an open, respectful, and welcoming climate that facilitates learning and work. Each member of the University is responsible for contributing to such a campus environment.
- Southern Illinois University Edwardsville is committed to education that explores the historic significance of diversity in order to understand the present and to better enable our community to engage the future.
- Integral to this commitment, Southern Illinois University Edwardsville strives for a student body and a workforce that is both diverse and inclusive.

Vision
Southern Illinois University Edwardsville will achieve greater national and global recognition and academic prominence through innovative and interdisciplinary programs that empower individuals to achieve their full potential.

Values
Recognizing public education as the cornerstone of a democracy, SIUE fulfills its mission based on certain fundamental, shared values. We value:

Citizenship
- Social, civic and political responsibility—globally, nationally, locally and within the University
- Active partnerships and a climate of collaboration and cooperation among students, faculty, staff, alumni and the larger community
- Sustainable practices in environmental, financial and social endeavors

Inclusion
- A welcoming and supportive environment
- Openness to the rich diversity of humankind in all aspects of university life
- Respect for individuals, differences and cultures
- Intellectual freedom and diversity of thought

Integrity
- Accountability to those we serve and from whom we receive support
- Honesty in our communications and in our actions

Wisdom
- Creation, preservation and sharing of knowledge
- Application of knowledge in a manner that promotes the common good
- Life-long learning

Vision
Southern Illinois University Edwardsville will achieve greater national and global recognition and academic prominence through innovative and interdisciplinary programs that empower individuals to achieve their full potential.

Top four-year universities creating dynamic pathways to support transfer students

Largest Producer of Bachelor’s Degrees In the St. Louis Metropolitan Statistical Area (MSA)

SIUE presented an Honorary Degree and a Distinguished Service Award during the 2018 Spring Commencement ceremonies.

Honorary Degree Recipient
As the SIUE chancellor from 2004-2012, Vandegrift was a catalyst for change. His vision was for SIUE to be nationally recognized as a premier University for the excellence of its programs, and development of professional and community leaders. His efforts in promoting SIUE to even higher levels of academic excellence are still being felt.

Under Vandegrift’s leadership, SIUE experienced significant growth, including more than $300 million in campus infrastructure and building projects. With his focus on the University competing nationally, he transitioned SIUE to NCAA Division I intercollegiate athletics with memberships in the Ohio Valley, Missouri Valley and Southern Conferences. Vandegrift led development of new degree programs, including a master’s program in industrial engineering, doctoral programs in educational leadership and nursing practice, and a dual diploma program with Istanbul Technical University. His efforts led to establishing a University-wide advising plan, organizing the Undergraduate Research and Creative Activities (URCA) program, and developing a new general education plan.

Distinguished Service Recipient
Senator William “Bill” Haine (D-Alton) was the senator for the Illinois 56th Senate district, which covers most of Madison County, including Alton, Wood River, Edwardsville and part of O’Fallon. After serving 14 years as Madison County state’s attorney, Haine was elected to the Illinois Senate in 2002.

Haine believes state funding is crucial to Illinois schools, and he secured funding for many buildings, such as the new science building, renovation of the existing science building, and the residence halls. He also secured state money for the construction of the new lab at the SIU School of Dental Medicine. He led the effort to obtain state funding for the operation of a City of Edwardsville Fire House on the SIUE campus. Haine’s votes to increase the state income tax in 2011 and in 2017 assured state funding for university systems and for MAP grants to students. He was a strong and early supporter for the reform of the formula that allocates state money to public school districts. Haine has served on the Dean’s Advisory Board for the SIU School of Dental Medicine. He also supported the University during the state budget crisis, fighting against potential cuts to higher education.
High-quality student learning occurs in and out of the classroom. 2018 highlights:
- 250,000+ service hours
- 639 internship and co-op placements
- 2,300+ clinical, practicum and student teaching placements

The Kimmel Student Involvement Center coordinates student service projects
- Annual SIUE Experience Service Day
- Weekly Service Saturday volunteer projects
- Alternative Spring Break service trips (domestic and international)
- Volunteering at SIUE’s Campus Kitchen and Cougar Cupboard Food Pantry

SIUE Successful Communities Collaborative (SSCC)
Connecting communities with SIUE students and faculty
- Cross-disciplinary program supports one-year partnerships between the University and communities in Illinois
- Advancing local resilience and sustainability based on community-identified environmental, social, and economic issues and needs

SSCC Collaborations
- Highland, Ill.: School of Nursing worked with city officials to combat opioid use
- Godfrey, Ill.: Department of Public Health initiated a successful recycling project
- Alton, Ill.: SIUE will work with city officials to boost tourism and economic development, support business start-up initiatives, develop transportation recommendations, and more

Central American Mission Projects (CAMP)
30 students and faculty from nursing, pharmacy and public health traveled to Costa Rica
- Served approximately 80 patients and conducted more than 200 child health assessments
- Studied public and environmental health issues
- Cleared beaches in preparation of sea turtle nesting season
- Studied medicinal plants, tropical diseases and water-borne pathogens
- Delivered shoes and backpacks and helped with renovations at an orphanage

Educational Outreach
Non-credit Courses
- 142% increase in number of courses offered since last year

Corporate Partnerships
- 9 partnerships offering 15 programs of study to 300+ learners annually

Community Engagement
SIUE is committed to developing leaders who shape a changing world.
The University engages in High Impact Community Engagement Practices and empowers students to apply their academic knowledge and skills in a way that makes a positive impact within communities.
Affordable Excellence
- Scholarships and financial aid administered last year: more than $148 million
- Average financial aid award SIUE students received last year: $16,190
- New undergraduate students receive a guaranteed tuition rate for 4 continuous academic years

ACT Score
National Average: 21.0
Illinois Average: 21.4
Fall 2018 Freshman Class: 23.3

Retention Rate: 75.3%
SIUE’s freshman-to-sophomore retention rate continues to increase
- African-American student retention: 8% increase
- Latinx student retention: 10% increase
- Student retention has grown 6.1% in the last 5 years

Student Enrollment and Retention
SIUE is accredited by the Higher Learning Commission, as well as more than 30 additional accrediting agencies. Our affordable in-state tuition rate is available to undergraduate and graduate students from all 50 states.

Total Students
Fall 2018: 13,281
Undergraduate: 10,833
Graduate: 1,903
Doctor of Professional Practice: 545

2018 Freshman Class
450 high schools
23 states
9 countries

Fall 2018 Enrollment Increases
- Graduate students: 14%
- Doctoral students: 21%
- Undergraduate transfer students: 9%
- New freshmen
  - Out of state and regional states other than Missouri: 41%
  - Local area: 12%
A true culminating experience, the Senior Assignment allows students to make the connection between their major, general education skills and core competencies.

**SIUE Senior Assignment**

- Moving Students to Discovery
  - Students participate in research and creative activities within their discipline
  - Students gain hands-on professional experiences through internships, applied research and community-engaged problem-solving
  - “The Impact of Riparian Zone Buffers on Aquatic Macroinvertebrate Biodiversity: Upper Silver Creek, Illinois” Guisel Marmolejo, Geography
  - “Design of a High Capacity Furnace Charging Bucket” Dylan Myers, Zachary Hauck, Jarrod Kolesa, Johnathan Luer, Mechanical Engineering
  - “Evaluation of Healthcare Diversity Pipeline Summer Program for High School Students” Layla Farid, Pharmacy

---

**Academic Excellence**

SIUE’s nationally recognized Senior Assignment program, our capstone experience in all majors, is a cornerstone of the undergraduate educational experience at SIUE.

---

**Sustained Dialogue**

- A student leadership program that seeks to transform relationships for the better through meaningful dialogue
- SIUE is the only public university in Illinois and one of 62 university campuses in the world to be part of the Sustained Dialogue Campus Network

**High-Impact Practices**

- Recognized for their positive impact on retention and learning outcomes for students across many backgrounds
- Faculty and staff attended the Association of American Colleges and Universities Institute on High-Impact Practices and Student Success
- Office of the Provost is working cross-divisionally to develop an equity-minded plan to increase the number of high-impact practices available to students
Master of Science in Criminal Justice Policy
100% online
Introduced fall 2018, first cohort completely full

Historical Studies/Health Sciences Collaboration
Kathleen Vongsathorn, PhD, Assistant Professor, Department of Historical Studies, offers courses to history majors, as well as students majoring in nursing, pharmacy and public health
- From Leprosy to Ebola: Health in African History
- Fear and Disease in History
- Race and Medicine

National Endowment for the Humanities
$106,000
Howard Rambsy, PhD, Professor, Department of English Language and Literature “Frederick Douglass and Literary Crossroads,” exposes secondary school teachers to new developments in African American literary studies in an effort to strengthen pedagogical engagements with The Narrative of the Life of Frederick Douglass (1845)

National Institutes of Health
$422,064
Faith Liebl, PhD, Associate Professor, Department of Biological Sciences “Investigating how Chromatin Remodeling Affects Endocytosis and Synaptic Organization,” studies how and why brain cells don’t work properly in states of disease or disorder

Goshen Market on Wheels
- Bringing affordable, healthy produce from local farmers and SIUE’s rooftop teaching garden to neighborhoods, schools and community centers whose residents live in food-desert conditions
- Supported by SIUE College of Arts and Sciences and the Edwardsville Community Foundation

Department of Chemistry/NCERC Collaboration
- Dr. Jie Dong, first joint faculty hire, completed post-doctoral fellowship at the Department of Energy’s Joint BioEnergy Institute
- $680,000 U.S. Department of Agriculture grant to provide high-impact community engagement and workforce education in the agricultural and biofuels sciences

College of Arts and Sciences
Central to SIUE’s comprehensive, liberal arts education, the College of Arts and Sciences helps students gain the knowledge and analytical skills applicable across all disciplines.
School of Business

The School of Business is among an elite 5% of business schools worldwide that have earned the prestigious seal of approval from AACSB International. This accreditation represents the highest standard of achievement for business schools worldwide.

Association to Advance Collegiate Schools of Business (AACSB)

- Business and Accounting
- Less than 2% of schools worldwide have both accreditations

The Princeton Review

BS Accountancy

BS Business Administration*

- Computer Information Systems
- Economics

- Management Information Systems
- Business Analytics

Student Learning Supports Local Businesses

- Marketing research students explore pricing options for a local photography studio
- Management students research the potential success of small business incubators in a nearby community
- CMIS students develop a database for the WE CARE nursing clinic in East St. Louis, Ill.

500 different Illinois businesses served this year in the local, as well as global, marketplace

Small Business Development Center

International Trade Center
School of Dental Medicine

Graduating 50 of the country’s best dentists each year, the School of Dental Medicine is a vital oral healthcare provider for residents of southern and central Illinois, and the St. Louis metropolitan region.

New Team-Based Clinical Program provides
- Increased faculty-to-student mentoring
- More versatile training opportunities for students
- More appointment options for patients

$1 million donation
Funded by Delta Dental of Illinois and Delta Dental Foundation
Will create state-of-the-art ambulatory centers focused on children’s oral health needs

Journal of Dental Education 2017 Olav Alvares Award
Awarded to early career scholars who publish outstanding articles
Rick Beithman, DMD, assistant professor, restorative dentistry
“Screening for Diabetes in a Dental School Clinic to Assess Interprofessional Communication Between Physicians and Dental Students”

Serving the Underserved
Students managed nearly 33,700 patient visits last year
Over 50% of patients are Medicaid eligible

12th Annual Give Kids a Smile Day
- Treated 118 children ages 3-13
- Exams, X-rays, cleanings, fluoride treatments, fillings and extractions
- Free services were provided by School of Dental Medicine students, faculty and staff, along with community professionals and volunteers

Celebrating National Children’s Dental Health Month
- Students visited approximately 300 kindergarten and 2nd grade students throughout February
- Provided oral health education and dental screenings
The School of Education, Health and Human Behavior prepares students for successful careers in public health, exercise science, nutrition, psychology, speech-language pathology and audiology, educational administration, teaching, and other areas.

Illinois State Board of Education Professional Review Panel
Selected to serve two-year terms:
- Vicki Van Tuyle, EdD, associate professor, Department of Educational Leadership
- SIUE EdD student Tron Young, middle school principal, O’Fallon Illinois Central School District 104

Guinness World Record: Longest Line of Books
- 21,048 books were arranged in a 2.64-mile line on International Literacy Day 2017
- Coordinated by the SIUE Psychology Club, Psi Chi, Head Start Social-Emotional team, and Clinical Child and School Psychology graduate program
- Books were given to children in area Head Start programs and donated to various charities

International Service Experience
- Inaugural travel study to Uganda was made possible through a partnership with Ndeje University in Uganda
- 8 undergraduate students helped develop programs to address issues of malaria and HIV, while also developing a global perspective on public health issues

Community Outreach
- Attention and Behavior Clinic
- Cougar Curriculum Center
- Speech-Language-Hearing Center
- Health and Fitness Testing

High-Impact Internship Opportunity
Anna Miller, Senior, Psychology/Criminal Justice Studies

Madison County Domestic Violence Accountability Court
- Assisted advocates, helped with research and statistics, observed the criminal felony dockets
School of Engineering

The School of Engineering offers the most comprehensive and affordable engineering programs in the St. Louis region with 8 undergraduate degrees, 5 master’s degrees and 2 cooperative doctoral programs, all housed in a state-of-the-art facility.

The School of Engineering has broken enrollment records for 9 consecutive years

Average Math ACT Scores
SIUE School of Engineering freshmen fall 2017: 28.9
National average: 20.7

Alumni Success
St. Louis Business Journal
Most Influential Business Women 2018
- Vicki LaRose, BS Civil Engineering ’90
40 Under 40 Class of 2018
- Jonathan Fowler, BS Electrical Engineering ‘10
- Devin Gates, BS Construction Management ‘10
- Ryan Poettker, BS Construction Management ‘05

Funded by School of Engineering alumni, the second phase of the new Student Design Center features a state-of-the-art design lab/innovation space.

Solar Car Team

IEEE Black Box Competition
Champions
Institute of Electrical and Electronic Engineers

Annual Community Engagement Events
- Introduce a Girl to Engineering Day: interactive, hands-on activities for 5th-8th grade girls
- Engineering Summer Camp: week-long overnight camp for high school students
- WeCode/SheCode: one-day events introducing middle and high school students to computer science and problem solving
- Botball: team-oriented robotics competition for middle and high school students
- Elementary Space Day: robotics faculty and students provide robotics demonstrations at local elementary school’s event
School of Nursing

The School of Nursing’s programs are committed to creating excellence in nursing leadership through innovative teaching, evidence-based practice, quality research, patient advocacy and community service.

2018 National Board Pass Rates
- Family Nurse Practitioner Program: 100%
- Nurse Anesthesia Program: 90%

2018 Best Online Graduate Nursing Programs
U.S. News & World Report

RN to BS in Nursing Program
- 100% online accelerated program
- 700+ students enrolled
- 530+ graduates since 2015
- Designed for full- and part-time nurses
- Offered to nurses in 5 states through 8 corporate partnerships

Global Learning Experiences
Nursing students have the opportunity to provide patient care to populations in need around the world in preparation for the vast array of challenges they may experience throughout their careers:
- Costa Rica
- Guatemala
- Haiti

$2.6 million
Health Resources and Services Administration Grant
Chronic care management and health coaching in a primary care setting
- WE CARE Clinic
- SIUE East St. Louis Higher Education Campus
School of Pharmacy

The School of Pharmacy curriculum is nationally recognized as a model that offers students a unique combination of classroom education, research, community service and patient care.

92.86% Pass Rate
2017 North American Pharmacist Licensure Exam (NAPLEX)
Highest board pass rate of any program in Illinois or Missouri

Pharmacy Residency Programs
- Top 10% of schools across the nation
- 84% of pharmacy graduates pursuing residencies obtained a match (versus 66% national average)
- 8 affiliated pharmacy residency programs throughout the region

Board of Pharmacy Specialties
Council on Psychiatric Pharmacy specialist member Kelly Gable, PharmD, Associate Professor, Pharmacy Practice

American Pain Society
2018 Distinguished Service Award
Chris Herndon, PharmD, Professor, Pharmacy Practice

Community Outreach
- Blood Pressure Screenings
- Diabetes Education Program
- Free Health Clinics
- Early Elementary Poison Prevention Education

Drug Take Back
- School of Pharmacy and SIUE Police Department collected nearly 40 pounds of prescription drugs
- This safe alternative keeps medications out of children’s hands, landfills and water supplies
Graduate School

By preparing the next generation of leaders in a knowledge-based economy, SIUE’s Graduate School raises the visibility of research at SIUE and fulfills the region’s demand for highly trained professionals.

Ranked 2nd for federal research and development expenditures among all Carnegie master’s large, primarily residential universities
National Science Foundation

Funding Sources
- Department of Health and Human Services
- NASA
- National Institutes of Health
- National Science Foundation
- U.S. Department of Agriculture
- U.S. Department of Education
- U.S. Department of Justice

Last year, faculty produced:
- 1,193 professional presentations, including exhibitions and recitals
- 84 book chapters and 33 books
- 307 peer-reviewed journal articles

Grants and Externally Sponsored Awards
- $43 million total
- $24 million in external grants
- 152 external submissions

Serving the Community
Homework Hotline
SIUE students provide mathematics tutoring over the phone and in person to regional students grades 5-8

America Reads
SIUE students read, assist with homework and play educational games with elementary students at 15 sites around the region

STEM Meets Humanities
Teaching children in underserved communities to problem solve using traditional humanities disciplines combined with STEM

Science and Engineering Research Challenge
Hosted 200 middle and high school students showcasing their independent research
Library and Information Services

SIUE Library and Information Services consistently strives for new and inventive ways to deliver information to students, faculty and the community.

370,000 visits to Library and Information Services last year

Information Literacy
Offered by library faculty and staff, Instruction Sessions teach sound information-seeking behaviors, as well as critical thinking skills necessary to discern the reliability of resources. Instruction Sessions are available to students, faculty and staff.

Friends of Lovejoy Library
- Nationally recognized as a top academic friends’ group by Friends of Libraries USA
- Contributed over $3 million to enhance collections, equipment and programs since 1965

The new Center for Faculty Development and Innovation will provide a centralized space for faculty to host workshops, collaborate and explore new technologies.

Encyclopedia of Buddhist Arts
- Donated by the Fo Guang Shan St. Louis Buddhist Center and presented by The Venerable Jue Huang
- Lovejoy Library received the 8th comprehensive 20-volume set of books in the English language
- Volumes include: Buddhist architecture, grottoes, sculpture, painting, crafts, calligraphy, seals and biographies

Introducing High School Students to Library Resources
Lovejoy Library provides tours and an overview of available resources to area high schools teachers and their students. Students learn research methods using library databases and spend time researching topics related to their current high school writing assignments.

High School Writers’ Contest
- Sponsored by the Friends of Lovejoy Library
- Celebrating 25 years of inviting high school students from 11 counties in the Metro East to submit entries
- More than 300 talented high school writers of nonfiction, fiction and poetry have been recognized
Intercollegiate Athletics

SIUE is an NCAA Division I member of the Ohio Valley Conference and the Mid-American Conference as affiliate members in the sports of men’s soccer and wrestling.

Student-athletes have achieved 24 consecutive semesters with at least a 3.0 GPA
- Fall 2017: 3.368 GPA
- Spring 2018: 3.359 GPA
45% of student-athletes had a GPA of 3.5 or higher

NCAA Student-Athlete Graduation Success Rates
Division I Public Institutions
#1 in Illinois
Top 20 nationwide

Ohio Valley Conference Team Academic Achievement Award
- Men’s track and field
- Men’s cross country
- Volleyball

A record number of student-athletes were honored by the Ohio Valley Conference with academic honors this past year:
- Commissioner’s Honor Roll (3.25+ GPA): 1,348
- Academic Medal of Honor (4.0 GPA): 238

1,500%
The increase in licensed vendors selling SIUE apparel over the last 10 years

700%
The increase in corporate partners over the last 10 years

Community Outreach

Student-athletes provided 2,300 hours of community service to 25 organizations and agencies last year

Softball Team Signs 6-year-old Teammate
- Team IMPACT matches children with serious or chronic illnesses with universities and their student-athletes
- Karlie attends practices, games and team meals and will participate in Senior Day after her two-years with the team
U.S. Department of Education
$1,172,000 in funding
Funding new TRIO Upward Bound programs

- Veterans Upward Bound: offering intensive support services around college preparation, career and college exploration, financial-aid planning, and the application and enrollment process to veterans in Illinois and Missouri who are low-income and first-generation college students
- Scholar’s Academy at East St. Louis Senior High School: providing cost-free weekly tutoring, pre-collegiate instruction, counseling and academic advisement; and workshops on test taking, critical thinking, goal setting and study skills
- Math and Science (Cahokia and Madison High Schools): providing math and science instruction, including a residential experience on a college campus for four consecutive summers

Illinois Department of Commerce
Talent Pipeline Grant
$1.5 million in funding

- Metro East Accelerated Training and Career Hub: creating career pathways for adults that focus on helping low-income, non-traditional students access stackable credentials that lead to living-wage jobs in high-demand fields such as information technology, education, health sciences, education and advanced manufacturing

SIUE East St. Louis Center
The SIUE East St. Louis Center is dedicated to improving the lives of individuals and families in Greater East St. Louis in the areas of education, health, social services and the arts.

Serving as a national model for how a metropolitan university can leverage expertise and resources in order to demonstrate impact in a high-needs community

$3.5 Million to Boost STEM Education
- Anonymous donation to the SIUE East St. Louis Charter High School
- Planned initiatives include endowed STEM scholarships, space for robotics, technology fairs and more

SIUE East St. Louis Center programs prepare more than 2,000 youth in grades Pre-K-12 each year for successful futures.

- SIUE Head Start/Early Head Start
- Kindergarten Readiness
- Project Success
- TRIO Upward Bound
- Center for the Performing Arts
- SIUE East St. Louis Charter High School
Vibrant Campus Life

Through comprehensive co-curricular opportunities and access to services that enhance learning and achievement, the Office of Student Affairs is dedicated to supporting and challenging students to achieve their full potential.

### Meeting the Needs of a Diverse Student Population
- **New Center for Student Diversity and Inclusion**: Supporting the success and retention of underrepresented students
- **Expanded Dining Options**: A Halal menu was developed in collaboration with the Muslim Student Association and the International Student Association, and additional vegetarian and vegan options are now available
- **The Office of Accessible Campus Community and Equitable Student Support (ACCESS)**: Formerly Disability Support Services, ACCESS uses a proactive accessibility/universal design model to meet the needs of all students

Career Development Center provided services and support to 44% of enrolled students through individual and group advising, career fairs, and co-op programs

### Supporting Dental Students on the Alton Campus
- New grab-and-go food options
- Students are reimbursed for their co-pay when they utilize urgent care or health facilities in Alton
- Increased access to mental health counselors
- Fitness classes provided by Campus Recreation
- Created a new Welcome Week event

Expanding its role as the hub of campus life, the Morris University Center hosted 9,303 events and meetings in FY18 (a nearly 50% increase from FY17)

### Nourishing Students in Need
The SIUE Cougar Cupboard Food Pantry provides food assistance to students in times of need, helping students meet their basic nutritional needs and attain their educational goals.

### Early Childhood Center
- **$140,000 State Grant**: providing scholarships to the children of low-income students
- **Nationally Accredited**: National Association for the Education of Young Children (NAEYC)

Less than 10% of all early childhood centers nationally are NAEYC accredited
Diversity and Inclusion

SIUE recognizes and values the contributions of the breadth of humankind. In order to achieve peace, social justice and the development of full human potential, the University is committed to building on diversity and inclusion.

The Office of Diversity and Inclusion celebrated the completion of the University-wide Diversity and Inclusion 7-year Strategic Plan

Inaugural Diversity Day
“From Awareness to Action, SIUE Shaping a Changing World”
- Campus and community-wide event showcasing the multitude of ways in which membership in the global community is core to SIUE’s values and mission
- Celebration included dance, art, engagement sessions, student panel discussions, ethnic cuisine, pop-up library, book club discussions and much more

INSIGHT Into Diversity magazine
- 2018 Higher Education Excellence in Diversity (HEED) Award
  5th consecutive year
- 2018 Inspiring Programs in STEM
  The NCERC at SIUE: “Solving the Equality Equation: Hands-On Workshops in STEM”
  The NCERC hosted STEM workshops for at-risk youth who have emotional, learning or intellectual disabilities that provided insights into the fermentation process, the benefits of biofuels and careers in bio-economy. The award honors colleges and universities that encourage and assist students from underrepresented groups to enter the STEM fields.

Retention Increases for Underrepresented Student Populations
- Students who self-identify as 2 or more races with a 21 and below ACT score: 20%
- Latinx students: 10%
- Students with a 21 and below ACT score: 9.6%
- African-American students: 8%

The newly created Black Faculty-Staff Association is a Board of Trustees recognized constituency group.

The inaugural Black Student Reception welcomed more than 260 black students to campus at the start of the fall semester.
A Global Perspective

SIUE offers a rich cultural environment that contributes to the learning process and encourages the campus community to value global perspectives. The vision of the Office of International Affairs is that everyone on campus engages in meaningful interactions with people from other cultures.

SIUE is a formal partner with 32 international institutions. Countries include:
- Canada
- China
- France
- Germany
- India
- Italy
- Nigeria
- Palestine
- South Korea
- Spain
- Turkey
- United Kingdom

Partnerships include letters of engagement and specific agreements addressing faculty and student exchange, dual diploma programs, travel study and degree transfer programs.

Exploring the World Through Study Abroad
- Nearly 200 students from 26 majors traveled to 33 countries

Bringing the World to SIUE
- Nearly 400 international students study at SIUE
- From more than 50 countries, including Bangladesh, China, Congo, India, Iran, Nepal, Nigeria, Rwanda, Saudi Arabia, Turkey and Vietnam

SIUE Students Represent
61 nations
45 states

International Hospitality Program (IHP)
A group of community volunteers serve as a family away from home for new and continuing international students
- Last year, 95 new international students were matched with 38 community families
- Students are often invited to participate in social or family gatherings
- IHP collects donations of household items for international students
- IHP sponsors special events for international students, including welcome receptions and a fall picnic
SIUE is committed to continually enhancing the learning environment for students by maintaining the natural beauty of campus and engaging in sustainable construction practices. The University has achieved a Silver Institution rating from the Association for the Advancement of Sustainability in Higher Education.

**Campus Growth and Stewardship**

SIUE is committed to continually enhancing the learning environment for students by maintaining the natural beauty of campus and engaging in sustainable construction practices. The University has achieved a Silver Institution rating from the Association for the Advancement of Sustainability in Higher Education.

**LEED**
All new campus construction is Leadership in Energy and Environmental Design (LEED®) certified/certifiable by the U.S. Green Building Council.

**2nd in the region**
for the number of LEED® buildings on a university campus

**LEED Gold:** Art & Design West
**LEED Silver**
- Engineering Building Addition
- Lukas Athletic Annex
- Multidisciplinary Dental Medicine Laboratory
- Science Building West

**LEED Residential:** Cougar Village, one residential building

**Applied for Certification:** Science Building East

**Fowler Student Design Center**
14,000-square-foot facility attached to the Engineering Building features:
- Student design team workspaces
- Project prototyping spaces
- Design labs
- Engineer’s alley to showcase projects
Phase 1: completed
Phase 2: funded with a $1.25 million gift from the Fowler family

**Science Building East**
$32 million renovation
Teaching and research facilities in the Departments of Physics, Mathematics and Statistics, and the Center for STEM Research, Education and Outreach

**Living Architecture Regional Center of Excellence**
