Educational Administration – Teacher Leader at SIUE
The Department of Educational Leadership offers a program of study leading to the Master of Science in Education (MSEd). There are two program specializations: teacher leader and principal. There are three pathways that lead to the Teacher Leader Endorsement on Illinois’ Professional Educator License:
• Master’s program
• Specialist’s program for students who already hold a master’s degree
• Certification-only (non-degree) program for students who already hold a master’s degree, but do not wish to pursue an additional graduate degree.

This two-year program can be completed in its entirety by taking courses one evening per week or one Saturday a month, with the exception of the summer term. Students choosing to take classes on Saturday will be required to come to campus four times per semester.

What can I do with a teacher leader endorsement?
Completion of the teacher leader program (endorsement, master’s or specialist) ordinarily satisfies Illinois requirements for the associated endorsement. The Teacher Leader endorsement prepares professionals to assume a variety of building-level leadership roles. Courses are generally acceptable for certification in other states.
