

Doctoral

# DNP/MBA

## Degrees Available at SIUE

- Master of Business Administration (MBA) and Post-Master's Doctor of Nursing Practice (DNP)

## Course Format

- Online with on-campus immersion experiences

## DNP/MBA at SIUE

The concurrent Master of Business Administration and Doctor of Nursing Practice program combines courses and expertise from the School of Business and School of Nursing. This collaborative program offers post-master's, advanced practice nurses the option of obtaining both an MBA and DNP simultaneously.

The MBA is designed to develop the professional capabilities of managers working in business, focusing on topics such as quantitative analysis, decision-making, negotiation, enhancing quality and innovation, and program management. The ethical management of resources in a global environment is emphasized through the curriculum. MBA courses are offered online in accelerated eight-week sessions.

Guided by faculty mentors in the DNP program, nurses emerge as leaders, transforming their practice and healthcare in self-identified areas of concern and influence. The program culminates in a doctoral project that reflects a synthesis of the knowledge and skills gained throughout the candidate's educational experience. All educational strategies focus on the development of meaningful relationships and scholarship competencies needed at the highest level of nursing practice. To facilitate learners' access to DNP education, the program is offered primarily online with immersion experiences lasting one to three days each August.

Out-of-state students applying for this program are strongly encouraged to discuss clinical requirements with the assistant dean of graduate programs. Clinical arrangements are not able to be made in all states. Please note that international students are ineligible to receive a student visa for this program.

## What can I do with a DNP/MBA?

The interprofessional DNP/MBA concurrent degree program provides master's prepared nurses with the scholarly knowledge, political awareness, and financial skills to become entrepreneurs, chief nursing officers (CNOs), or chief executive officers (CEOs) of major healthcare institutions, collaborating with other professionals to design cost-effective models of accountable healthcare. These concurrent degrees will be essential for helping potential nursing executives promote innovative change in a variety of environments. The program benefits students with master's preparation as indirect care providers (administrators) or direct care providers (NPs, CRNAs, midwives, or CNSs).

## Program Options

Admission requirements, graduation requirements and sample curriculum plans are available at [siue.edu/mba-dnp](http://siue.edu/mba-dnp).

## Application Deadline

The priority application deadline is February 1 for summer applicants, June 1 for fall applicants, and November 1 for spring applicants. Applications may still be accepted after these deadlines if space allows. Additionally, students may apply for dual degrees, both an MBA and a DNP, with an additional application submitted to the School of Business and a request to waive the GMAT/GRE exam. Students who are accepted into the School of Business MBA program concurrently may have the graduate statistics course waived for the School of Nursing.

## Post-Master's DNP Faculty

**Andrew Griffin, PhD, CRNA, APRN**  
Assistant Dean for Graduate Programs  
Expertise: Office-Based Anesthesia and Anesthesia Education

**Mary Lee Barron, PhD, FNP-BC**  
Expertise: Women's Health

**Valerie Griffin, DNP, PPCNP-BC, FNP-BC, PMHS, FAANP**  
Director, NP Specializations, Associate Clinical Professor

Expertise: Pediatrics, Pediatric/Adolescent Psych, Family Health

**Amy Hamilton, DNP, RN**  
Expertise: Patient Education

**Elise Harmon, DNP, RN**  
Expertise: Med/Surg

**Wendy Hochreiter, DNP, RN**  
Expertise: Med/Surg, Pathophysiology

**Laurie Hopper, MSN, FNP-BC**  
Expertise: Women's Health

**Frank Lyerla, PhD, RN**  
Expertise: Nursing Informatics, Nursing Education

**Kelly McGuire, PhD, RN**  
Expertise: Med-Surg Nursing

**Melodie Rowbotham, PhD, RN**  
Expertise: Nursing Education, Maternal-Newborn Nursing

**April Schmidt, DNP, FNP-BC**  
Expertise: Family Health

**Bernadette Sobczak, DNP, CPNP-PC, PMHS**  
Expertise: Pediatrics, Ped/Adolescent Psych, Community Health

**Valerie Yancey, PhD, RN**  
Expertise: Nursing Theory, Hospice/Palliative Care

**Mary Zerlan, DNP, CRNA, APRN**  
Expertise: Anesthesia for Organ Transplants and Nursing Research

## Doctoral Advisor

**Krista Rosner**

SCHOOL OF NURSING

[siue.edu/mba-dnp](http://siue.edu/mba-dnp)

## Curriculum

The post-master's DNP is 30 credits, with eight of those credits focused on the final project. The MBA is 36 credits, and four of the nursing DNP courses are considered electives within the MBA program, for a combined total of 54 credits for the concurrent DNP/MBA. While the School of Business courses are offered in online, seven-week sessions, the School of Nursing courses are offered online over the whole semester. This allows students who are full time to primarily only have two courses progressing simultaneously within a semester.

	Year 1	Year 2		
Summer	ACCT 524 Accounting for MBA's	3	CMIS 526 Information Systems & Technology	3
	NURS 617 Applications of Epidemiology	3	NURS 604 Evaluating Evidence for Improving Practice	3
	Total Credits	6	Total Credits	6
Fall	MBA 521 Quantitative Analysis (first half of semester)	3	MKTG 525 Marketing Analysis & Applications (second half of semester)	3
	MBA 522 Decision Making in Organizations (second half of semester)	3	NURS 620 Healthcare Informatics	3
	NURS 600 Theory Guided Practice	3	NURS 695a Introduction to DNP Project	1
	Total Credits	9	Total Credits	7
Spring	ECON 528 (second half of semester)	3	FIN 527 Corporate Finance (first half of semester)	3
	Elective	3	NURS 606 Leadership and Health Policy for Advanced Nursing Practice	3
	Total Credits	6	NURS 695p DNP Project (completion of Phase A and B)	2
			Total Credits	8

	Year 3	
Summer	NURS 695p DNP Project (completion of Phase C)	2
	Total Credits	2
Fall	MBA 534 Strategic Management (first half of semester)	3
	NURS 601 Ethics Studies for Advanced Nursing Practice	3
	Total Credits	6
Spring	NURS 695p DNP Project (completion of Phase D and E)	4
	Total Credits	4
<b>Total Hours 54</b>		

DNP Program students are asked to attend an immersion event each August. This event generally occurs during the first two to three days of the fall semester.

## Graduation Requirements

In addition to completing the course work, students must also satisfy a comprehensive examination requirement by earning a grade of B or above in MBA 534. Students who earn a grade below B will be given a second opportunity to complete the course in a satisfactory manner. Performance of individuals who fail to earn a B or above in the second attempt will be reviewed by two additional members of the School of Business Curriculum Committee who may recommend that the student be dropped from the program or, in rare instances, be permitted a third attempt to earn a grade of B or above under another instructor.

Students must successfully complete all course work and practicum hours; develop an electronic portfolio; develop, implement, evaluate, and prepare a written doctoral practice project; and complete an oral presentation of the project. Because the American Association of Colleges of Nursing has mandated that DNP graduates complete at least 1,000 hours of practice post-baccalaureate as part of a supervised academic program, master's degree transcripts will be evaluated individually, with a maximum of 500 clinical hours from advanced practice specialization programs counting toward the total 1,000 required hours.
