

**SIUE Graduate Speech-Language Pathology
Supplemental Application Materials Information
2020-2021 Application Cycle**

The Graduate Program in Speech-Language pathology at SIUE requires supplemental application materials to gather important information related to Essential Functions required by the program that are difficult to gather from other application materials.

Video

The Supplemental Application requires each student to submit a video. During the video, students are to respond to the following prompt:

Knowing yourself and how you learn/work with others, what are three qualities in a supervisor that would help you grow as a clinician?

Your response should speak to your personal characteristics, including how you interact with and learn from others, how you respond to feedback, and any other relevant points.

Technical requirements:

- No longer than 3 minutes
- Clear video and audio recording

Upload:

The video should be uploaded to youtube.com as follows:

1. Create your video and save it on your preferred device
2. Create an account or long-in with your existing account to youtube.com. In the upper right corner, click on UPLOAD.
3. Drag the video recording from where you have it saved to the YouTube window.
4. Set your video privacy to "UNLISTED". (A private video will not be able to be viewed by the committee members.) Click DONE.
5. Link your video to your CSDCAS application • Login to CSDCAS • Paste your YouTube video URL into the text box on the Questions section of the application

****You must complete this video URL upload prior to submitting your application.****
