Master of Social Work at SIUE

Students at SIUE experience unique learning opportunities by not only learning in a traditional classroom setting, but also learning through involvement in community-engaged scholarship and activities. Our students regularly work with agencies and organizations, assisting with service provision, program development, and advocacy on behalf of individuals and families experiencing health, mental health, homelessness, poverty and other social justice challenges.

Degrees Available at SIUE

- Master of Social Work (MSW)

Post-Master's Certificate

- School Social Work

Program Format

Courses in the MSW program are likely to be scheduled in the afternoon or evening hours (subject to change based on multiple scheduling variables). Practicum hours are likely to be scheduled during business hours (Monday-Friday, 8 a.m.-5 p.m.). Afternoon or evening courses may require students to participate in community engaged activities during daytime business hours.

What can I do with a degree in social work?

Our students graduate with comprehensive social work knowledge and refined practice skills to engage in **professional roles**, including:

- Clinicians
- Administrators
- Program coordinators and evaluators
- Community developers

Graduates are able to lead efforts aimed at enhancing the lives of individuals, families and communities who may be under-served, at-risk or otherwise challenged. **Career opportunities** are available in a number of social work areas, including:

- Adoption and foster care
- Substance abuse
- Health and mental healthcare
- Hospice
- Social policy development
- Neighborhood and community organizations

Admission Requirements

- Graduate School application and \$40 fee
- Submission of all postsecondary academic transcripts
- Successful completion of a bachelor's degree prior to enrollment
- Overall GPA of at least 3.0 (A=4.0). Students with less than a 3.0 undergraduate GPA may apply and will be considered on a case-by-case basis.
- International Applicants: Proof of English Proficiency, minimum requirements are TOEFL (79), IELTS (6.5) or equivalent
- Statement of Purpose: A personal statement that discusses what has led the applicant to pursue a master's degree in social work at this time, the applicant's understanding of a social justice issue, and how they plan to adjust their life to accommodate graduate work. (If the applicant's cumulative GPA is below 3.0, it is recommended that the applicant address this in their statement and discuss how they will improve their academic performance to succeed in the MSW program.) This should be four-to-five pages, double-spaced and in 12-point font.
- Two letters of recommendation that discuss the applicant's potential for graduate level academic work, leadership and interpersonal skills, commitment to the mission and values of social work, and, if relevant, professional experience and capabilities. One letter must be from a current or past instructor and one must be from a supervisor, preferably in a volunteer or paid social service setting. BSW graduates who do not have practice experience after receiving their BSW, should have their field practicum supervisor write their recommendation. Applicants applying as transfer students from CSWE-accredited master's programs should request at least one letter of recommendation from a graduate faculty member. Generally, letters from friends and family members will not be considered unless that individual has served in the capacity of supervisor or instructor. If an applicant is unable to secure a letter from a current/previous instructor and/or supervisor, please contact the MSW Admissions Committee at MSWProgram@siue.edu for guidance. Any deviation from the instructor and supervisor letters indicated here should be addressed in the applicant's statement of purpose. The letters of recommendation must be submitted on the form contained in the application packet.

GRADUATE SCHOOL

Admission Requirements

Program application materials may be uploaded during the application process, but official transcripts must be sent directly from the school attended, and test scores must be verifiable with the appropriate testing service. Please contact the Graduate Admissions office with questions regarding the application submission process at graduateadmissions@siue.edu.

The baccalaureate degree should reflect a strong background in liberal arts and sciences with at least 30 semester hours (or equivalent) earned in liberal arts and sciences. Students must complete any deficiencies prior to enrollment in the MSW Program. If any deficiencies are not completed prior to enrollment, the student's file will be reconsidered the next academic year. In addition, advanced standing students entering with a BSW from a CSWE-accredited program must have completed an undergraduate research methods course and an undergraduate statistics course with a grade of B or better. Advanced standing students who have not completed a course in research methods with a grade of C or better must complete these requirements prior to enrollment in the MSW program, or their file will be reconsidered the next academic year, or the student may be offered admission in regular standing. Undergraduates who are nearing completion of a baccalaureate degree may submit an application for admission as a degree-seeking student when they have earned at least 88 semester hours of credit toward the undergraduate degree with a GPA of at least 3.0 (A=4.0).

A combination of commitment to the program's mission and sensitivity to diversity is evaluated during the admission process through the applicant's personal statement and letters of reference. These are regarded as factors in admission decisions, along with records of undergraduate work. Students will not receive academic credit for life experiences or previous work experiences.

Admission in Advanced Standing

Applicants may be considered for admission in advanced standing provided the following criteria are met:

1. The applicant holds a baccalaureate degree in social work from an institution accredited by the Council of Social Work Education, and the degree was awarded in the seven-year period preceding application for graduate study at SIUE.
2. The applicant's GPA is 3.0 (A=4.0) or higher in undergraduate study and the applicant has completed all courses in the BSW foundation area with grades of C or better. Applicants with less than a 3.0 undergraduate GPA who completed all coursework in the baccalaureate foundation area with grades of C or better will be considered on a case-by-case basis.
3. Advanced standing students entering with a BSW from an accredited undergraduate program must have completed an undergraduate research methods course with a grade of C or better.
4. Students must complete any degree program deficiencies identified by the admissions committee prior to enrollment in specialized MSW courses. If the student is unable to satisfy deficiencies, program acceptance may be rescinded.

Social Work Admissions Committee

The MSW Program Committee will review the complete packet of application materials including the applications for graduate study, personal statement, letters of recommendation, and transcripts. Admission to graduate study in social work will be based on a full evaluation of the completed application packet. A personal interview may be required. The committee cannot admit students whose packet is incomplete. The applicant will be notified in writing about the decision of the Committee.

Application Deadline

The priority application deadline for the following fall admission is January 15. Applications may be accepted beyond the priority deadline until the cohort is full.

Graduation Requirements

Enrollment in SOCW 565 - Capstone is a requirement to satisfy the concluding element of the MSW degree program. A grade of C or better must be earned in this course for the student to have satisfactorily completed all requirements for the Master of Social Work. The capstone project requires students to integrate the social work knowledge, skills, values, and cognitive and affective processes learned and demonstrated across curriculum content areas and their field practicum experience.

In SOCW 565, the student selects case scenarios from their field practicum experience and presents the practice activities they engaged in during their experience. Students discuss how the practice activities they engaged in demonstrate their competency across ethics, diversity, human rights, research, policy practice, engagement, assessment, intervention, and evaluation. For each competency area, students must explain how they used social work knowledge, skills, values, and cognitive and affective processing to gain mastery of the desired behaviors for social work practice.

This information is concurrent with the 2022-2023 academic catalog. Courses are subject to change at any time.

Curriculum

The Department of Social Work offers a curriculum leading to the master of social work (MSW) with a focus on advanced generalist practice. The program at SIUE is accredited by the Council of Social Work Education (CSWE).

The program of study in the MSW program is divided into two consecutive groups of courses: Generalist and Specialized Curricula. Generalist courses provide introductory knowledge on social work history, theoretical framing, values, ethics, basic skills, and practice orientations. The specialized courses focus on more advanced theoretical application, practice skills, policy analysis, and evaluation.

For students who have regular-standing status, the MSW Program includes both Generalist and Specialized Curricula. This requires a two-year, full-time course of study in which students enroll in six consecutive semesters, including summer terms, for a total of 60 credit hours. There is a regular-standing part-time option, which takes four years.

Students who have completed a BSW degree from a CSWE accredited program within the past seven years qualify for advanced standing status. Advanced standing students are only required to complete the Specialized Curriculum. This requires a one-year, full-time course of study in which students enroll in three consecutive semesters, including one summer term, for a total of 30 credit hours. Part-time advanced standing students can finish in two years.

Social work students do not receive academic credit for life experience or previous work experience.

Courses may be offered in traditional on campus face-to-face and hybrid online format. Courses offered in hybrid online include a combination of on-campus and off-campus online class content.

Upon graduation, MSW students are eligible to take licensure exams for a social work practice license. Requirements vary by state. The Licensed Clinical Social Worker (LCSW) requirements typically include 3,000 hours of supervised clinical practice after completion of the MSW degree.
