

The Noble R. Thompson III Student Disabilities Award is in memory of Noble R. Thompson III, a professor in the Geography Department at SIUE for many years who past away in 2001.

During his tenure at the university, Noble was an advocate for students with disabilities, particularly students with visual impairments. The student who receives this award must be visually impaired and have the highest grade point average of the students with a visual impairment who applied.

Recepients:

2002 – Jacqueline Darnell
