### How do I apply?

Our mobile-friendly online application is the quickest and easiest way to apply and pay the application fee. [siue.edu/apply](http://siue.edu/apply)

If you plan to mail your application, please attach a check or money order and send to:

SIUE Office of Undergraduate Admissions  
Campus Box 1047  
Edwardsville, IL 62026-1047

**Note:** Applications and all supporting documents must be postmarked by the appropriate deadline. For more information, send an email to admissions@siue.edu or call 800-447-SIUE or 618-650-3705.

SIUE accepts electronic transcripts submitted through various providers. In addition, electronic transcripts can also be sent to [etranscripts@siue.edu](mailto:etranscripts@siue.edu) directly from the institution. If a transcript is received through this account from a student, it will not be considered official.

If you do not enroll in the semester for which you applied and wish to enroll in a later term, you may need to submit a new application. Additional documentation is due by the deadline for the semester in which you plan to enter. Please refer to the online undergraduate catalog at [siue.edu/academics/undergraduate](http://siue.edu/academics/undergraduate) or contact an admission counselor for academic eligibility requirements.

### Application Fee

A non-refundable application fee of $40 must accompany this application. Payment should be made in U.S. dollars by check or money order payable to SIUE. You may pay by credit card when applying online. Applications received without the fee will remain incomplete until the fee and all supporting documents are received. Applicants who change their term of entry may update their file by submitting a new application for the next two terms without another application fee. Undergraduate students currently enrolled at SIUE are not assessed an additional fee to apply for a change in degree status. Requests for a fee waiver are available online at [siue.edu/apply](http://siue.edu/apply) and should be sent to the Director of Undergraduate Admissions. Please indicate you qualify for a fee waiver on the application by checking the appropriate box.

### Freshman Applicants

This category includes high school seniors, anyone who has graduated from high school, or anyone who has completed the General Educational Development (GED) examination and has not subsequently attempted college work.

A. If you are a high school senior or have graduated from high school within the last five years, submit an official high school transcript and SAT/ACT scores to SIUE. The transcript for high school seniors should show 6th-, 7th- or 8th-semester class rank and GPA. **A final official high school transcript verifying graduation must be submitted as soon as it is available.** The transcript for applicants who have graduated from high school must verify graduation and should display final semester rank and GPA. SAT/ACT scores that appear on your high school transcript are accepted.

B. If you graduated from high school five or more years ago, you must have an official high school transcript sent to SIUE, verifying your graduation and showing your final semester class rank and GPA. SAT/ACT scores are not required. However, if you have taken the SAT/ACT test, you are encouraged to submit the scores to SIUE.

C. If you have passed the GED examination, ask the County Superintendent of Schools to send an official copy of your GED scores to SIUE. Also submit an official copy of your high school transcript if your high school class graduated within the past five years. SAT/ACT scores are not required. However, if you have taken the SAT/ACT test, you are encouraged to submit the scores to SIUE.

### Transfer Applicants

This category includes anyone who has attempted college course work since high school graduation or passed the GED examination, and has not previously attended SIUE.

A. If you’ve completed 30 or more semester hours of credit post high school graduation, you must request official transcripts from each college you attended.

B. If you’ve completed less than 30 semester hours of credit post high school graduation, you must have your high school send the credentials described in the Freshman Applicant category. In addition, you must request official college transcripts from each college you attended.
Visiting Student Applicants

This category includes anyone who has at least a high school diploma or equivalent and wishes to enroll in undergraduate courses for credit, but is not interested in pursuing a baccalaureate degree at SIUE.

The only document required is the completed application, along with a $40 application fee. However, you may be required to present evidence of prerequisite completion at the time of registration.

Visiting students are not eligible to receive financial aid. However, if a visiting student is currently pursuing a degree at another post-secondary institution, the student may be eligible for veterans benefits or student employment. Students wishing to apply for student employment or receive veterans benefits need to submit appropriate documentation confirming their degree-seeking status at a parent institution.

Students in visiting status may not accumulate more than 30 semester hours at SIUE. If a student has accumulated 30 semester hours of credit and wishes to continue enrollment at SIUE, they must apply to the University as a degree-seeking student and satisfy appropriate criteria. Continued enrollment will not be permitted until the student satisfies admission criteria or appeals to the Director of Undergraduate Admissions.

Applicants still in high school may be considered by the Director of Undergraduate Admissions for admission as visiting students.

Applicants previously denied admission in degree-seeking categories are not admissible as visiting students.

Returning Applicants

This includes anyone who has previously attended SIUE but has not attended the University within the last 12 months.

Degree-seeking Applicants

If you plan to pursue an undergraduate degree, you should apply for degree-seeking status (see question 2 on the application). This is required to make you eligible for most financial aid and veterans’ education benefits. The documents required are listed by applicant category. To be considered official, your documents must be mailed or submitted electronically directly to the Office of Undergraduate Admissions by the institution that issues them.

Intended Area of Study

Your indication of an intended major on your online application for admission provides SIUE with your academic interests so we can provide you with information related to your potential major. After you submit your application for admission, all references to your “Major” and “Degree” in the Application Summary will still indicate “Undeclared,” regardless of the intended majors you indicated on the online application. SIUE does not direct declare new undergraduate students at the time of admission. A limited number of students will be considered for direct entry or conditional entry programs after acceptance. Others will have the opportunity to discuss the process of declaring your major and degree with an academic advisor during your first advising meeting.

When will I be notified of acceptance?

Your application will be reviewed within 2-4 weeks after we have received all required documents.
