

GRADUATE ASSISTANT APPLICATION

TERM: _____
This form must be submitted and resubmitted every term

The **Department of Mathematics and Statistics** offers a number of teaching assistantships, which carry a tuition waiver and a stipend for the academic year. Summer support is available on a limited basis. Students whose native language is not English need to have a high level of proficiency in English. Normally an oral interview is required. Strict priority will be given to active students in good standing in the Department of Mathematics and Statistics, that is students who consistently take two or more graduate courses in the Department during each term and maintain a GPA of at least 3.0.
