Spanish Summer Day Camp 2019

For Kids
Ages 6-12
June 17th—28th

In this Spanish Summer Camp

The Spanish Camp offers the opportunity for children to immerse in Spanish while having all the fun of a summer camp day. Children participate in engaging activities that encourage Spanish language development through technology, sports, games, visual arts, crafts, music, dance, and stories in an immersive environment.

Children explore the cultures,

customs and geography of Spanish-speaking countries through daily "travels" to different regions of Latin-America by making projects, arts and crafts, food and fiestas.

The technologically advanced Foreign Language Training Center

Our visits to The Foreign Language Training Center give the campers an excellent opportunity to research the culture, geography and biodiversity of different regions of Latin-America as well as to play interactive games for practicing and learning vocabulary.

Students will enjoy

Using their newly learned vocabulary by playing Spanish games, by singing songs, and by engaging in campus recreational activities including soccer tips and tricks from a former member of an international soccer club.
