This Fundraising Handbook is designed to assist and inform sport clubs of fundraising opportunities. It is recommended that each club establishes a fundraising officer to be responsible for keeping things organized and efficient. Fundraising is one of the most important responsibilities of a sport club. Before organizing a fundraiser or soliciting funds from various donors, clubs must contact program staff for approval and support. An officer duty description should include responsibilities such as:

- Deciding upon and implementing various fundraisers for the club and club members.
- Obtaining approval for fundraisers.
- Communicating with the Club Sports Graduate Assistant (GA) regarding fundraising activities. This Club Sports GA may be able to help with publicity generating ideas.
- Communicating with your club treasurer to determine the club’s financial needs.
- Planning ahead for potential financial needs. (i.e. National Championships)
- Delegating responsibilities of fundraising to other club members. (i.e. sub-committees)

We strongly recommend that clubs look further into the companies they plan on working with by contacting them and/or visiting their website. More details on the products or services a club is interested in can be found at a company’s website. By researching specific companies, a club might discover many new products and services perfect for fundraising.

Dear Friends & Family:

The Women’s Lacrosse Club at XYZ University has been experiencing success beyond anyone’s expectations in the past two years. In May of 2001, the club accomplished what they had only dreamed of in the past. They won the National Championship by defeating ___ in St. Louis, Missouri. This year’s squad is working to maintain this standard of excellence. They were ranked as the #1 club in the nation by US Lacrosse magazine in January, with the prediction that they would repeat the victory. So far the club has made great strides toward meeting this challenge and has received a bid to represent the Women’s Lacrosse League.

With this great honor comes a financial commitment. The Women’s Lacrosse Club at XYZ University does not have the funding of larger university sports programs and must find other sources to support the club’s efforts. The club needs to raise approximately $11,000 to cover airfare, hotels, car rentals, and entry fees for Nationals this year. On top of this we need to be raising money for next year’s club.

We have asked each woman on our club for the information of people who might be willing to donate money to our program. We would be thankful for any help you could give. All donations are tax deductible. Our Club is largely self-supported and has exhibited dedication, club work, sportsmanship, and hard work to become the best in the nation. Please help us to continue our success.

Thank you for your support!

The Women’s Lacrosse Club at XYZ University

[(for companies)
Lacrosse, Inc.
17330 Condo Street
Austin, TX 02128
ATTN: John Sport]

Dear Mr. Sport (or ABC Alumni):

Thank you for your consideration of this sponsorship request. I firmly believe that the ABC Club at XYZ University embodies the best in collegiate sports today. They have learned to go above and beyond the requirements of normal athletes in order to become a top Division II club in the ____ Sport League.

[(for companies) We believe our club is one of the best men’s clubs at the ___ university. The leadership must schedule their own games, develop practices alongside volunteer coaches, manage their budget, raise funds to support the club for the year, plan travel arrangements, and reserve/line fields before practices and games. They have held leadership roles and have been a major influence with the Sport Club Program at ___. A large number of the rookies who play have little or no experience with Lacrosse during pre-season. They practice on average 14 hours a week with matches and tournaments on the weekends. Men’s Lacrosse is largely self-supported and has shown dedication, teamwork, sportsmanship, and hard work to become one of the best in our Division.]

The Men’s Lacrosse Club at XYZ University does not have the funding support of larger university sports programs and must find other sources to support club efforts. Approximately X percent of our budget is subsidized. The players themselves support the remainder of the budget through player dues, donations, sponsorships, and fundraising activities. They are required to provide their own transportation, travel funding, uniforms, and equipment. The majority of the subsidized funds are dedicated to the clubs dues, tournament entry fees, and official’s costs.

[(for alumni) One of our traditions is to host an annual alumni weekend. This is a time for past players to come into town, see old friends, and meet the current players. The alumni weekend is the club’s most important fundraiser of currently soliciting items for the auction. The club also puts out a program for the event. We are asking fifty dollars from advertisers in return for a business card sized ad in the brochure. Most of the alumni will be in town with their families, and will be looking for places to shop and eat Friday morning to Sunday afternoon. We encourage all of the participants to support our advertisers and beneficiaries.]

There are two ways [Lacrosse, Inc. or you as an alumni] can help Men’s Lacrosse at XYZ University perform to its potential. First, we are requesting sponsorship to acquire essential equipment and funds to travel to more competitive tournaments. Second, we would appreciate any contributions [your company or you] can offer. All contributions are tax deductible (Tax ID#). Once again, the Men’s Lacrosse Club at XYZ University thanks you for your consideration of our request, and we look forward to discussing our options with you in the near future.

Sincerely,

____________, Club Sports President,

T-SHIRT SPONSORSHIP

Approximate Time Required: 2 Weeks to Collect Sponsors
Number of Club Members Needed: All Club Members

MATERIALS REQUIRED

- A letter explaining what the sponsorship is supporting and how the company will benefit.
  1. Sponsor receives two shirts.
  2. $80 of the donation is tax deductible ($20 is subtracted due to the value of the t-shirts the sponsor receives)
  3. Sponsor receives advertisement throughout community (Via club program and flyers)
  4. The IRS requires the department to deduct the value of the member benefits from the amount of the gift for tax purposes (Ex. The $20 for the two-shirts)

PROCEDURE

1. Each member of the club should collect a minimum of one sponsor who donates at least $100. Be sure to acquire the company’s artwork when they sign up for the sponsorship.
2. Design a high quality shirt with sponsors’ artwork placed on the back.
3. Remember program specifics such as logo placement.
4. Have the design cleared by the Club Sports GA.
5. Take design to a local t-shirt printing company and have them make the desired number of shirts your club would like to print out.
6. Deliver the t-shirts and tax deduction forms to the sponsoring companies.
