

# SIUE Career Development Center

## 4-year Plan to Career Success

- Meet with a Career Counselor to explore career options
- Read one book on a career development topic
- Research majors available at SIUE
- Visit "What Can I Do with This Major?" webpage
- Explore work and/or volunteer opportunities and find a summer position to gain experience for your resume
- Explore campus clubs and organizations

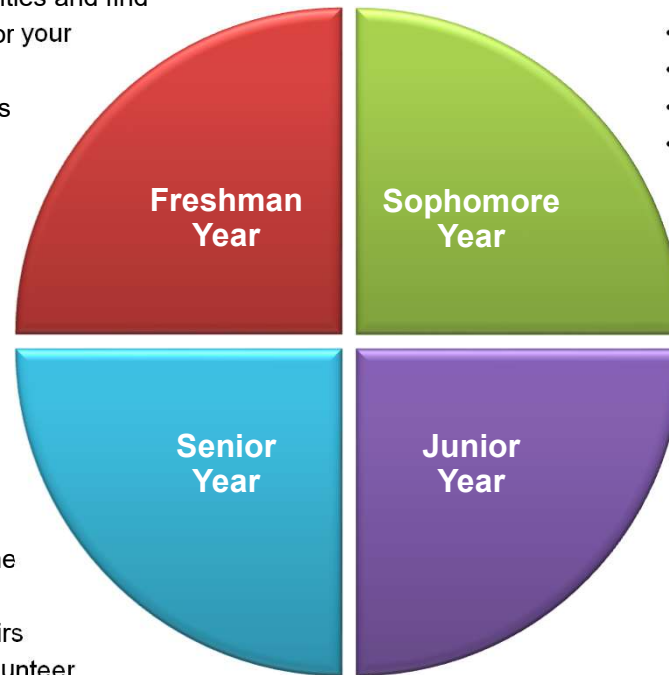

### Explore Careers

- Develop a professional resume
- Activate your student profile on Cougar Jobline
- Attend and/or volunteer at the career fairs
- Participate in an internship, co-op or volunteer position
- Interview a professional from a field of interest
- Attend a CDC workshop or event
- Schedule a mock interview in the CDC
- Begin building your professional wardrobe

### Develop Professional Skills

### Achieve Career Success

- Update your resume
- Update student profile on Cougar Jobline
- Find a mentor
- Attend and/or volunteer at the career fairs
- Participate in an internship, co-op or volunteer position
- Attend a CDC workshop or event
