

# CHEMISTRY RESUME

## First Last

Edwardsville, IL 62025  
618.555.4567 | e-id@siue.edu

### EDUCATION

---

Bachelor of Science in Chemistry: ACS-Certified Biochemistry  
Southern Illinois University Edwardsville (SIUE) May 2021  
Edwardsville, Illinois

### RELEVANT EXPERIENCE

---

Research Assistant January 2019-Present  
SIUE Chemistry Department Edwardsville, Illinois

- Review common atomic absorbance spectroscopic techniques.
- Focus on different variables and constants within atomic emission and absorption to further develop the knowledge basis of various elements, in particular nickel and chromium.

Intern May 2018-July 2018  
SIUE STEM Center Edwardsville, Illinois

- Taught science to children aged 6 -9 at various schools and summer camps close to the Edwardsville area.
- Develop fun and interactive lessons each week from basic explanations to wacky experiments, based on a certain area of science.
- Completed the internship with six unique lessons that covered six different facets of the world of science, and two hundred hours of teaching youth experience.

Undergraduate Teaching Assistant August 2018-January 2019  
SIUE Edwardsville, Illinois

- Taught two sections of a general chemistry lab course.
- Gave pre-lab lectures and helped students work through their lab experiments.
- Prepped undergraduate laboratories and stock solutions.
- Maintained a neat and orderly work area while handling with chemicals.

### STUDENT ORGANIZATIONS

---

- Phi Beta Sigma Fraternity, Inc. (2019-Present)
- Black Student Union, *Treasurer* (2019-Present)
- One Mic Poetry (2019-Present)
- SIUE Chemistry Club (2018-Present)
