Academic Experience

SIUE Research Assistant

Undergraduate Research Creative Activities

Spring 2021

- Worked on a team with five students to evaluate emotional impacts of remote learning, for Edwardsville Community School District #7 middle school students through electronic surveys.
- Ensured that proper consent forms were completed by both student and parents/guardians.
- Collected survey responses and entered data into a Microsoft Excel spreadsheet that was uploaded to Microsoft Teams so that it could be accessed by team members and faculty involved in research.
- Presented findings to faculty members and parents of study participants.
