Career Counseling
- Meet with a Career Counselor to discuss career development issues, assessment tools or support in deciding on a major and/or career.
- Resume development/critique
- Job search strategies
- Interview preparation and Mock Interviews
- Graduate School preparation

Cooperative Education (Co-op) and Internships
- Gain real-world work experience in your field while pursuing your degree
- Apply classroom theory to a realistic work setting
- Develop professional relationships — build your network
- Possibility of full-time employment upon graduation
- Academic transcript recognition

Employer Connections
- On-Campus Interviews (OCI)
- Job listings on Cougar Jobline
- Resume referral service — we will send your resume if you want to apply for a co-op or business internship position with a company that has been listed on the Jobline.
- Career Fairs
- Information tables and sessions

Resources
- Tru-Talent and FOCUS 2 (online assessment tools)
- Career Resource Center (books on career topics)
- Cougar Career Closet
- What Can I Do With This Major? (Linked to CDC Webpage)
- Workshops and presentations
