

## **Community-Oriented Digital Engagement Scholars Program Terms and Conditions, 2022-2023**

---

### **Award Details**

All CODES Scholarship recipients will be held to the terms and conditions of the scholarship detailed herein. The CODES Scholarship is valid fall and spring semesters and will be continued, if renewal conditions are met, for eight semesters across four academic years. This grant will be applied toward tuition and mandatory fees. The CODES Scholarship is valued at the full undergraduate tuition for up to 16 credit hours per semester and will supersede any previous SIUE merit scholarship awarded, with the exception of the Provost Scholarship.

The CODES Scholarship may be applied at the undergraduate rate to tuition charges in the SIUE School of Dental Medicine, School of Pharmacy or Graduate School. The award will be credited to the student's university account each semester. By accepting this scholarship as part of your financial aid award you agree to the terms and conditions of the grant detailed herein. Financial aid awards will be available in July 2022 and can be accessed through your CougarNet account ([siue.edu/cougarnet](http://siue.edu/cougarnet)).

### **Community-Oriented Digital Engagement Scholars in combination with other awards and financial aid**

The CODES Scholarship will be applied to university charges on the student's account such as tuition, mandatory fees, and course-specific fees. CODES Scholarships will be considered awards to meet financial need in the packaging of financial aid. Should the crediting of the scholarship in combination with other financial aid result in excess funds on the student's account, the excess may be refunded to the student for personal expenses and books.

### **Academic Performance & Student Conduct**

Continuance or renewal of the scholarship requires completion of full-time enrollment each semester (minimum 12 hours) and successful progress toward degree by maintaining a cumulative SIUE GPA of 2.9 or higher. You must also participate in the CODES program, including enrollment and satisfactory completion of required CODES courses (see <https://www.siue.edu/vcedi/codes/curriculum/program-outline.shtml>).

You must also abide by the University academic policy as stated in the catalog and student handbook at [www.siue.edu/registrar](http://www.siue.edu/registrar), the Satisfactory Academic Progress Policy for financial aid and scholarship recipients at [www.siue.edu/financialaid](http://www.siue.edu/financialaid), and the Student Conduct Code at [www.siue.edu/policies](http://www.siue.edu/policies). Award recipients should also keep address changes up to date with the University and must check SIUE e-mail often for important announcements.
