Autumn Wetzler (English, Social Sciences)

Email: auwetzl@siue.edu

phone 618-650-3940

GENERAL EDUCATION REQUIREMENTS

1. SIUE offers secondary level teacher licensure in the areas below. Students major, and earn a degree, in a specific content area. Secondary Education is not a stand-alone major at SIUE, but a sequence of professional courses added to a major enabling one to earn teacher licensure.
Art (PK-12 licensure), Biology, Chemistry, English, Foreign Language (K-12 licensure in German, French or Spanish), Geography, History, Mathematics, Music (PK-12 licensure), Political Science, Theater and Dance
Curriculum guides for each of the above may be located at <http://www.siue.edu/advising/majors.shtml>
2. Once you have declared your chosen major at SIUE, your first step is to contact the CAS Advising Office. If you have a degree in the subject area, you will need to contact the major advisor as well.
CAS Advising
Peck Hall, Room 1315
618.650.5525
casadvising@siue.edu
3. Students will work with two advisors and a faculty mentor from your content major. Your major advisor will be responsible for general education and major requirements. Your SEHHB Student Services advisor will track your teacher licensure requirements and enroll you in professional education courses. If you are "licensure only" and have a degree, you will need to come to the SEHHB Student Services office and start a file. If you are a declared education major, we already have a file on you.
4. **OBSERVATION:** CI 315a is an observation in the schools on Tuesday and/or Thursday mornings and ***requires an application one semester in advance***. Students will observe in both a middle and high school placement. Applications are available the first week of each semester in SEHHB Student Services, Founders Hall, Room 1110 and online at <http://www.siue.edu/education/field.shtml>. The application is typically due in the third week of the semester prior to the field experience.
Music and Art majors do not take CI 315A or CI 315B.
5. **STUDENT TEACHING:** CI 315b is taken together with student teaching. CI 352 (student teaching) requires an application one semester in advance. Music and Art majors, do not take CI 315B and are placed in both an elementary and secondary school. ***All student teaching requires an application one semester prior within the first three weeks of the semester. Students must complete 100 clock hours before they can begin student teaching.***

Please Note: Students should not attempt to take, and should not be advised to take, additional courses other than CI315B and CI352 in their final semester. Student Teaching is, on average, a 60-hour per week responsibility and should not be taken lightly. No student will be permitted to enroll in major field or professional education courses (other than senior project) during their student teaching without written permission of Secondary Program Director.

* Program information is subject to change. To stay current with Illinois Licensure requirements, please keep in touch with your Education advisor to ensure you are up to date on all requirements.

ADMISSION TO TEACHER EDUCATION

C or higher in all courses for major, professional ed, and required general ed.
2.5 GPA or higher from SIUE along with a combined GPA of 2.5 from all
institutions attended. SIUE GPA _____ Combined GPA _____
