Dear CHS Parents and Guardians,

Greetings and happy Friday! Thank you, thank you, and thank you parents, for your support this semester, our CHS team could not have been successful this semester without your support! December's fresh food pick-up is today 10:00am-12:00pm, **December 18, 2020**, and the schools for the pick-up are listed at the bottom of this email. Also, today is the last day of the semester and I am proud of our scholars for finishing strong! The new semester will begin remotely on **Monday, January 4, 2021** and I will offer updates on when it is safe to return to some form of in-person learning once local and state officials have offered further guidance on COVID-19. To ensure your scholar is prepared for 2nd semester, a copy of your scholar's 2nd semester schedule will be emailed to their school email address and the parents email address on file within the next few days. The email will come from Ms. Saffore and if you have questions, you should email her directly at psaffor@siue.edu. Most scholars' schedules will *not* change, and your scholar should follow the exact class schedule and class times as last semester. Grades for this current semester will be completed and finalized during the week of Jan. 4-Jan. 8, 2021 and a finalized 1st semester report card will be mailed/emailed thereafter.

Also, we are still accepting new students for next semester and have a few available spots, if you know of any families looking for an excellent education, please share this application link with them https://docs.google.com/forms/d/1NifgDfrOXWkYr_RTU9Nbt6yT6NEfYu1PVg5PSXMID8/edit?usp=sharing.

This unprecedented semester has shown the resiliency of our scholars, and again I am so proud of them. Please ensure that your scholar takes some time to get rested, restored, and re-charged over the break. Our CHS parents and students ROCK! Please feel free to contact me with any questions or for further information at vwashin@siue.edu or 618-482-8391. ***Failure is NOT an option for our CHS Scholars.***
