

Dear School District 189 Families,

School District 189 will provide an optional COVID-19 vaccination event that is available for **our students who are 12 years and older**. The event will be held at **East St Louis Senior High School on Friday, May 28, 2021 beginning at 9:00 a.m.** East Side Health District will administer the Pfizer vaccine and the Illinois National Guard will assist with logistics. We encourage but do not require advanced sign-up.

Please note the following details:

- All participating students must show a photo ID card to receive a vaccination. A student ID is sufficient.
- Students within the ages of 12-15 years old **must have a parent present** to sign the consent form.
- Students within the ages of 16-17 years old will need a **parent-signed consent**, but the parent does not need to be physically present.
- Students ages 18+ may sign the consent for themselves.
- The Pfizer vaccine will be provided. Two doses are required. Those receiving the first dose on May 28 will be scheduled to return in June to receive their second dose.

We will follow state and federal guidelines regarding administering COVID-19 vaccines. Please see the below Pfizer Fact Sheet and Consent Form. This information is also available on our [school district website](#).
