more info!

PEERS is a social skills intervention for motivated teens who are interested in learning new ways of making and keeping friends. During each session, teens are taught important social skills and are given the opportunity to practice these skills during socialization activities. Parents attend separate sessions at the same time and are taught how to assist their teens in making and keeping friends. PEERS may be appropriate for teens with ASD, ADHD or other social/behavioral disorders. Parent participation is required.

Dates:

**Wednesdays,
Jan 29 – May 27,
6- 7:30pm (no class
2/19 and 3/11)**
