## Welcome

Hi everyone! I am excited to be working with you this semester as we explore the concepts and theories related to the study of social psychology and how these topics have influenced the field of psychology. I think that the college classroom is the best space to examine these topics safely and respectfully and how each relates to our everyday lived experiences.

## Bio

Dr. Rachel Bradley is an Assistant Professor of Psychology at Southern Illinois University Edwardsville. After completing her PhD in social psychology at Saint Louis University in 2014, Dr. Bradley taught psychology for six years at the University of Arkansas at Little Rock. Dr. Bradley's research interests include exploring racial/ethnic and sexual identity and identification and examining colorism (a.k.a. skin tone bias), stereotyping, stigma, and prejudice. In addition to these interests, Dr. Bradley also studies topics related to the scholarship of teaching and learning. Dr. Bradley's teaching interests include research methods, social psychology, psychology of gender, multicultural psychology, and group dynamics. Dr. Bradley enjoys spending time with her husband and dogs, Wally and ThudButt.

## Teaching Philosophy

I have spent considerable time developing and honing my skills as an educator. My philosophy of teaching is to cultivate curriculum that spur original thought to produce well-rounded students equipped to examine critically their social world. I come to each class with a thoughtful perspective and the goal to do my best to provide the students who come into my classroom with knowledge and thought-provoking experiences. I want everyone who comes into my classroom to leave changed for the better.

Additional readings may be assigned.

## Course requirements

### Course activities/assessments

Assignments are posted in Blackboard throughout the semester and will be due online at the scheduled date and time. This information can be found on the schedule presented in this syllabus. Specific instructions for each assignment can be found in Blackboard. It is your responsibility to make sure that all assignments are completed and turned in on time. I will not post or give verbal reminders. Work turned in after the scheduled date and time is considered late work.

## Submitting work

Students will submit all work in Blackboard via specific submission links for coursework. Emailed assignments will not be accepted unless prior approval is obtained from the instructor.

## Online class behavior

- **Reflect** before you post an emotional response and reread what you have written to be sure it is professional. Communicate as if your comments are printed in a newspaper.
- **Communicate** effectively.
  - Do not use all caps or multiple punctuation marks (!!!, ???, etc.).
  - Be sure to define or explain acronyms, jargon or uncommon terms so everyone can understand and participate in the discussion.
- **Sign your name.** Take responsibility for your comments in order to build a strong classroom community.
- **Foster community.** Share your ideas and contribute to ongoing discussions. Make comments that add to, not detract from, a positive learning environment for the course.
- **Be constructive.** Challenge ideas and the course content, but do so in positive ways. It's fine to disagree, but when done politely you stimulate and encourage helpful discussion, and you maintain positive relationships with fellow students.
- **Keep the conversation on topic.** Online dialogue is like conversation. If there is a particular dialogue going on, please add to it, but if you have something new to say, start a new thread.

## Technology requirements

Technical requirements for students can be found in this [ITS Knowledge Base article](#).

- Reach out to tech support staff when issues arise and troubleshoot to resolve problems

Additional guidance for taking online courses can be found on the [Online at SIUE site](#).

## Course Policies and University Policies

### Academic integrity/plagiarism

Students are reminded that the expectations and academic standards outlined in the [Student Academic Code \(3C2\)](#) apply to all courses, field experiences and educational experiences at the University, regardless of modality or location. Plagiarism is the use of another person's words or ideas without crediting that person. Plagiarism and cheating will not be tolerated and may lead to failure on an assignment, in the class, or dismissal from the University, per the [SIUE academic dishonesty policy](#). Students are responsible for complying with University policies about academic honesty as stated in the [University's Student Academic Conduct Code](#).

Unless expressly allowed by the instructor, the use of artificial intelligence (AI) tools and applications (including ChatGPT, DALL-E, and others) to produce content for course assignments and assessments is a violation of SIUE's academic policy and is prohibited.

### Turnitin

This course may utilize the Turnitin plagiarism detection software. A Turnitin link may be available anywhere written work is to be submitted in the course. [Find out more about using Turnitin](#).

## Grading

Assignment Breakdown	Points Assigned	Weighted %	Weighted Pts
Attendance Points (for the entire semester)	100	10%	10
Syllabus and Course Readiness Quiz, each worth 10 pts	20	5%	1
Plagiarism Training	30	5%	1.5
Ten Top 5s, each worth 10 points	100	10%	10
Ten Weekly Reflective Journals, each worth 10 points	100	10%	10
Two In-Class Article Discussions, each worth 20 points	40	10%	4
Advertisement Mini Project	100	10%	10
Two Unit Essays, each worth 100 points	200	20%	40
Final Project	300	20%	60
<b>Total</b>	<b>990 Points Assigned</b>	<b>100%</b>	<b>146.5 Points Available</b>

## Grading scale

Letter Grade	Weighted Points Range	Percentage Range
A	146.5 – 131.85	100% - 90%
B	130.38 – 117.2	89% - 80%
C	115.73 – 102.55	79% - 70%
D	101.08 – 87.90	69% - 60%
F	86.43 or below	59% or below

A traditional grading scale will be followed. I do not “round up” for mid-term or final grades. Do not ask about this. Your final project will make up 20% of your final grade. All other assignments will make up the remaining 80% of your final grade. If you have an issue with your grade on an assignment, you must set up an appointment to discuss the grade within a week after your grade is posted in Blackboard. I will not consider grade disputes raised after this time.

This course will have three-unit essays as the primary form of assessing content knowledge acquisition in lieu of traditional exams. These essays will be directed with specific prompts and will be no more than two pages single-spaced. Two of the three essays will be included in the final grade. Each essay will be due online in Blackboard on the date scheduled in the syllabus. It is your responsibility to make sure that your essay is completed and turned in on time. I will not post or give verbal reminders. Late essays will not be accepted for any reason or circumstance.

## Grading rubric[s]

Grading rubrics will be provided in Blackboard for assignments that the instructor utilizes one for grading purposes.

## Feedback and grading timeline

Weekly Journal and Top 5 grades with rubric feedback will usually be posted within one week of the due date. Other assignments may take longer to grade. You can find your grade by clicking the My Grades link on the left menu of the Blackboard course. If there is a rubric attached to the assignment, you can click your score to see feedback on the rubric, if any.

## Late or Missed Assignments

Late assignments will be penalized 10% for each day past the due date. After 2 days (this includes all days within the week Monday - Sunday), the assignment will not be accepted for credit. All assignments are subject to the late assignment policy. Formal assessments cannot be submitted after the due date. Assignments will not be accepted as email attachments unless approved by the instructor.

Important Information about Assessments: Make-up assessments will not be given for any reason. Of the three essays given throughout the course, the lowest essay grade will be dropped automatically. Therefore, if there is a life circumstance that should prevent you from performing optimally on an assessment, there is no need to worry.

## **Rewrites**

Rewrites will not be permitted in this course.

## **Participation**

It is vitally important that our classroom environment promotes the respectful exchange of ideas, including being sensitive to the views and beliefs expressed during discussions. Your success in this course will depend on your communication, consistent engagement, and active participation in all course activities. Success in this course requires that one adhere to the deadlines given as you complete assignments, discussions, and other course activities.

## **Attendance/excused absence policy**

Attendance will be taken every class period that we meet. Each student will begin the semester with 100 points for attendance. Deductions will occur for unexcused absences. Holidays and scheduled class cancellations will not be included in the count of missing days. Missing 10%= 90pts, 20%= 80pts, 30%= 70pts, 40%= 60pts, 50%= 50pts, >50%= 0pts.

Students are STRONGLY encouraged to attend all class meetings. There will be in-class activities and assignments for which you may receive points. If you are not present the day of these activities/assignments, you will not receive points and you cannot make these up. If you miss class, it is your responsibility to obtain notes and/or handouts from your classmates. An "Excused" absence will be recorded for any student who notifies the instructor (by phone or email) prior to the class meeting time that they will not be able to attend class. A note may be required if absences become frequent or upon the instructor's request. Also, students who arrive to class meetings 15 minutes or more late will be counted as an unexcused absence.

## **Course Questions**

It is natural for everyone to have questions and I want you to feel comfortable asking questions. That said, in some cases, students ask questions that could be easily answered by looking in the syllabus or course materials. To facilitate personal responsibility, I ask that you follow the "rule of 3 then me" before asking a question. If your question is about the course requirements or some aspect of the course, check in 3 places for the answer before you ask me. When you ask me, tell me where you have looked for the answer and explain your question. This helps me understand the question so I can give you a better answer.

Where to send questions: If you have a question about the course, you can send me an email within SIUE email. If you want to ask a question of the entire class post it on the "Ask Questions" discussion area. This is a general discussion area, and you can post general questions here. Sometimes your classmates may know the answers to questions, and I will check this area as well. Please send any questions of a personal nature directly to me or call my office phone number to reach me regarding urgent or emergency matters.

## **Regular and Substantive Interaction**

Regular and substantive interaction (RSI) is required as part of new U.S. Department of Education regulations for distance (online) education and it supports student learning in all learning environments (online, face-to-face, hybrid, hyflex, etc.). SIUE faculty participate in RSI by initiating frequent and timely opportunities to engage with students. Because there are several ways to implement RSI, such as facilitating online discussions, scheduling a Zoom conference with a student, or holding regularly scheduled review sessions before tests, RSI may look different in every class. To learn more about RSI, use the Online Tips links for Faculty and Students in your Blackboard course websites or visit the [Faculty Resources for Regular and Substantive Interaction webpage](#).

## **Recordings of Class Content**

Faculty recordings of lectures and/or other course materials are meant to facilitate student learning and to help facilitate a student catching up who has missed class due to illness or quarantine. As such, students are reminded that

the recording, as well as replicating or sharing of any course content and/or course materials without the express permission of the instructor of record, is not permitted, and may be considered a violation of the University's Student Conduct Code (3C1), linked here: <https://www.siu.edu/policies/3c1.shtml>.

## **Diversity and Inclusion**

SIUE is committed to respecting everyone's dignity at all times. In order to learn, exchange ideas, and support one another, our virtual and physical classrooms must be places where students and teachers feel safe and supported. Systems of oppression permeate our institutions and our classrooms. All students and faculty have the responsibility to co-create a classroom that affirms inclusion, equity, and social justice, where racism, sexism, classism, ableism, heterosexism, xenophobia, and other social pathologies are not tolerated. Violations of this policy will be enforced in line with the SIUE Student Conduct Code.

The [Inclusive Excellence, Education, and Development Hub](#) is an excellent resource for students for support and community. Any person who believes they have experienced or witnessed discrimination or harassment can contact Lindy Wagner, Assistant Vice Chancellor for Inclusive Excellence, Education and Development at (618) 650-3179 or [linwagn@siue.edu](mailto:linwagn@siue.edu).

## **Pregnancy and Newly Parenting Policy**

This policy and procedure are established to ensure the protection and equal treatment of pregnant students, students with pregnancy-related medical conditions including as a result of the termination of pregnancy, and students who become new parents including parents adopting or fostering to adopt for the first 12 weeks a child is in the home, in accordance with Federal and State guidelines and regulations. "New Parents" refers to a parent who has recently welcomed a newborn or adopted a child or is fostering to adopt a child and needs support to mitigate the disruption in academic progress within the first 12 weeks of parenting or a parent that needs support due to medical necessity attributed to pregnancy or delivery of a child; care of newborn; or lactation within the first year of child's life or legal adoption/fostering. Visit [Policies & Procedures - Student Rights and Conduct - Newly Parenting Policy - 3C15](#) to view the full policy and learn how to request accommodations through the Office of Equal Opportunity, Access, and Title IX Coordination (EOA).

## **Technology Privacy Information**

We will be using Blackboard in this course. View the [Anthology Blackboard Privacy Statement](#) to review how your data is being used and stored.

## **Additional Support**

## **Technical Support**

Since this is an online course, you are expected to have reliable Internet access on a regular basis. It is your responsibility to address any computer problems that might occur. Such problems are not an excuse for delays in meeting expectations or for missing course deadlines.

Contact ITS at [618-650-5500](tel:618-650-5500) or at [help@siue.edu](mailto:help@siue.edu) with any technical concerns. You can also check the functionality of University systems, including Blackboard, at the [ITS System Status page](#), or search the [ITS KnowledgeBase](#) for various how-to and troubleshooting guides.

Tips for taking online assessments:

- Set up a wired (Ethernet) Internet connection on your computer

- Read the instructions and directions carefully
- Be prepared to complete the assessment in the allotted time
