OVERVIEW OF LEARNING ASSESSMENTS

Class Discussions

Throughout the semester, you will participate in seven online discussions that require you to incorporate content from the assigned readings, lectures, quizzes, and reflection exercises, think critically about the content, and consider alternative viewpoints and explanations. These

discussions will also help you stay connected to your peers and the instructor in an asynchronous course like this one.

For each discussion, you will post your initial response and comment on at least two of your classmates' posts before 11:59 PM CST on Friday evening. Then, before Sunday evening at 11:59 PM CST on Sunday, you will respond to your classmates' questions about and comments on your initial post. This initial post should demonstrate your understanding of essential concepts and your ability to apply them correctly to real-life experiences. Your peer comments and replies should also demonstrate your group facilitation skills. You can find detailed instructions and grading rubrics for the discussions on Blackboard on the "About This Course" page. Note that each discussion will close and be unavailable one week after it is due.

Quizzes

Each week you will take a quiz that assesses your understanding of the material. Each quiz contains 15 multiple-choice and true/false questions. You will have 60 minutes to complete each quiz, and you must complete the quiz once you start it. After the timer ends, your answers will be submitted automatically. Questions will be presented one at a time, and you will be able to review all of the items before you submit your answers. Complete the quizzes before Sunday evenings at 11:59 PM CST each week. Note that after the due date passes, you will lose access to the quizzes.

Research Project

Throughout the semester, you will explore a topic that interests you by completing a research project. You will use the university's online databases to gather information from at least 4 peer-reviewed sources; analyze a film, problem or organization; apply the principles of organizational psychology to individuals' and groups' behavior in the workplace; critique the value of peer-reviewed sources; articulate your ideas in written form; and follow the American Psychological Association's writing guidelines.

To help you stay on track, you will complete the project in 4 stages. You can find detailed instructions and grading rubrics for each stage on Blackboard on the "About This Course" page.

- In Week 2, you will submit (1) at least two ideas for your project and (2) a list of peer-reviewed references.
- In Week 3, you will submit an annotated bibliography.
- In Week 5, you will submit an outline of your essay.
- In Week 7, you will submit your essay.

GRADING DISTRIBUTION

Grade	%	Points	Description
A	= 90—100	391.5—435.0	Excellent

B	=	80—89	348.0—391.4	Good
C	=	70—79	304.5—347.9	Satisfactory
D	=	60—69	261.0—304.4	Poor
F	=	0—59	0—260.9	Failure

COURSE EXPECTATIONS

- **Invest** an adequate amount of time. According to the university, you should spend 2 hours *outside* of class for every 1 hour *in* class (<http://www.siu.edu/policies/1i4.shtml>). Each week, you would normally spend 2.5 hours in class, which means that you would need to invest at least 5 hours outside of class for a total of 7.5 hours each week.
- **Check** your university e-mail and Blackboard several times each week. Look for new announcements and feedback on your assignments.
- **Be authentic** and submit your own work. If you reference external sources, cite them using the guidelines published by the American Psychological Association (APA) and provide a list of references at the end of your response, report, or post.
- **Contact me** if you have any questions. You can e-mail me, visit me during my office hours via Zoom, or message me through the “Course Questions” discussion board.
- **Contact help@siue.edu** with your questions related to Blackboard and other technical difficulties. If technical problems prevent you from accessing course materials or submitting assignments, let your instructor know.

EXPECTATIONS FOR ONLINE BEHAVIOR

- **Reflect** before you post an emotional response and reread what you have written to be sure it is professional. Communicate as if your comments are printed in a newspaper.
- **Communicate** effectively. Do not use all caps or multiple punctuation marks (!!!, ???, etc.). Be sure to define or explain acronyms, jargon or uncommon terms so everyone can understand and participate in the discussion.
- **Foster** community. Share your ideas and contribute to ongoing discussions. Make comments that add to, not detract from, a positive learning environment for the course.
- **Be positive.** Challenge ideas and the course content, but do so in positive ways. It’s fine to disagree, but when done politely you stimulate and encourage helpful discussion, and you maintain positive relationships with fellow students.
- **Focus** on the topic. Online dialogue is like conversation. If there is a particular dialogue going on, please add to it, but if you have something new to say, start a new thread.

GRADING POLICIES

To complete the course assessments, follow the policies outlined below.

- Grades will not be curved or rounded. You begin the course with zero points and earn every point to reach your goal.

- Submit all assignments on Blackboard. The instructor cannot accept assignments submitted through email.
- Submit your assignments before 11:59 PM CST on the due date listed in the calendar.
 - With an approved extension, you will forfeit 20% of the total possible points each day the assignment is late. Extensions can only be granted *before* the due date.
 - Without an approved extension, the instructor will not accept late work.
- Adhere to SIUE’s Student Code of Conduct as outlined at <https://www.siu.edu/policies/3c1.shtml>.
- Submissions that contain plagiarized material will receive a zero, and those that include an abundance of spelling and grammatical errors will be graded down.
- Discuss any grading discrepancies via e-mail within 48 hours of receiving your grade on the assignment. Outline why and how your work warrants a better grade. Keep in mind, however, that a petition does not guarantee point adjustments.

The table below includes a tentative course schedule. The instructor reserves the right to alter it to improve the quality of learning or to accommodate unforeseen events. The instructor will announce any changes to the calendar via e-mail and Blackboard announcements.

PSYCHOLOGY DEPARTMENT POLICIES

The Psychology Department's Policy on Plagiarism

Plagiarism includes presenting someone else's words without quotation marks (even if you cite the source), presenting someone else's ideas without citing that source, or presenting one's own previous work as though it were new. When paraphrasing from another source or your own work, at the very least, the student should change the wording, sentence syntax, and order of ideas presented in the paper. Additionally, you should not submit a paper, or parts of a paper, written to fulfill the requirements of one class for the requirements in another class without prior approval of the current instructor and appropriate citation. Ideally, the student will integrate ideas from multiple sources while providing critical commentary on the topic in a way that clearly identifies whether words and ideas are those of the student or are from another source. Plagiarism is one type of academic misconduct described in SIUE's Student Academic Code (<http://www.siu.edu/policies/3c2.shtml>). University policy states that "Normally a student who plagiarizes shall receive a grade of F in the course in which the act occurs. The offense shall also be reported to the Provost." (<http://www.siu.edu/policies/1i6.shtml>). The University policy discusses additional academic sanctions including suspension and expulsion from the University. To ensure that you understand how to avoid plagiarism, we encourage you to review the information on plagiarism

provided on the Department of Psychology web page at <http://www.siu.edu/education/psychology/plagiarism.shtml>.

Services for Students Needing Accommodations

It is the policy and practice of Southern Illinois University Edwardsville to create inclusive learning environments. If there are aspects of the instruction or design of this course that result in barriers to your inclusion or to accurate assessment of achievement—such as time-limited exams, inaccessible web content or the use of non-captioned videos—please contact Accessible Campus Community and Equitable Student Support (ACCESS) as soon as possible. In order to properly determine reasonable accommodations, students must register with ACCESS either online at siue.edu/access or in person in the Student Success Center, Room 1203. You can also reach the office by emailing us at myaccess@siue.edu or by calling 618-650-3726. If you feel you would need additional help in the event of an emergency situation, please notify your instructor to be shown the evacuation route and discuss specific needs for assistance.

The Psychology Department's Policy on Incomplete Grades

It is the student's responsibility to officially withdraw from a course by the dates set by the University if the student is not intending to complete the course. Students who do not withdraw and have not completed the course will receive an F. Only under special circumstances a faculty member may agree to give a student an Incomplete (INC) grade in order to allow the student to complete the remaining work for the course no later than the end of the following semester. An INC is never automatic but must be approved by the professor. If a professor agrees to give a student an INC grade, the professor and the student will fill out a form (Memorandum of Incomplete Grade) indicating why an INC is being given. One copy of the completed form will be given to the student, one copy will be given to the professor, and the Department of Psychology secretary will keep one copy. If the work is not completed by the time specified on the Memorandum of Incomplete Grade form, the grade will be changed from INC to F.

The Psychology Department's Writing Policy

As a student in this course, you will be expected to display university-level writing, which includes completing course assignments that meet the following basic writing criteria.

Specifically, all written assignments completed for this course should include:

- clear transitions from sentence to sentence and idea to idea (e.g., paper is organized/flows well);
- verb tense consistency;
- clear and unambiguous sentences and ideas;
- writing that is free of typos, spelling errors, and major grammatical errors;
- properly formatted citations and references (if relevant).

This is by no means an exhaustive list of basic writing skills, but it will give you an idea of what we are looking for in our papers. If you feel you need help with your writing, you are encouraged to seek assistance from the writing center on campus (<http://www.siu.edu/is/writing>) or utilize one of the many online resources they have

identified to help students (<http://www.siu.edu/is/writing/resources.shtml>). If your graded written assignments fail to meet the basic writing requirements listed above (and any others found to be appropriate by your instructor), the instructor will stop the grading process and return the paper to you (see below for the specific policy for this class). The penalty for unacceptable writing in this class is as follows: You will have one week to revise and resubmit your paper through Blackboard, and you will lose 10 points from the final grade.

SIUE Statement on Diversity

All societies and peoples have contributed to the rich mix of contemporary humanity. In order to achieve domestic and international peace, social justice, and the development of full human potential, we must build on this diversity. SIUE nurtures an open, harmonious, and hospitable climate that facilitates learning and work. Each member of the University is responsible for contributing to such a campus environment.

SIUE Nondiscrimination Policy

Southern Illinois University Edwardsville (SIUE) is a public comprehensive University committed to creating and maintaining a diverse community in which students, faculty, and staff can learn and work together in an environment free of discrimination and free from any form of illegal harassment. Such actions violate the dignity of the individual and the integrity of the University as an institution of learning. SIUE prohibits discrimination against employees, applicants for employment and students on the basis of age, color, disability, marital status, national origin, race, religion, sex, sexual orientation, or veteran's status. Discrimination in any form will not be tolerated; management and supervisory personnel, at all levels, are responsible for taking reasonable and necessary action to prevent discrimination.

COVID-19 PANDEMIC POLICIES RELATED TO CLASSROOM INSTRUCTION

Health and Safety

The measures outlined below are required and any student who does not comply may be in violation of the *COVID-19 People-Focused Health and Safety Policy*, as well as the University's *Student Code of Conduct*.

The full text of the *COVID-19 People-Focused Health and Safety Policy* can be found here: <https://www.siue.edu/policies/Covid.shtml>

Classrooms, Labs, Studios, and Other Academic Spaces

While in the classroom, lab, studio, or other academic spaces, students (regardless of vaccination status) shall wear face coverings that fully cover the nose and mouth and practice physical distancing measures to the extent practicable based on the specific classroom capacity and pedagogy. Classroom furniture should not be rearranged, and furniture that has been taped off or covered should not be used.

Students who forget to wear a face covering will be reminded of their obligation to comply with SIUE's *COVID-19 People-Focused Health and Safety Policy* and temporarily asked to leave the class until they are able to conform to the policy. Students who forget or lose their face coverings may be able to obtain replacements from a friend, a faculty member, or a nearby departmental office. Face coverings are also available for purchase in the Cougar Store (MUC).

Students who refuse to wear a face covering will be asked to leave the classroom and referred to the Dean of Students for non-compliance with community health and safety protocols. Repeated non-compliance may result in disciplinary actions, including the student being administratively dropped from an on-ground/face-to-face course or courses without refund if no alternative course format is available.

If a student has a documented health condition which makes wearing a face covering medically intolerable, that student should contact ACCESS to explore options with the understanding that ACCESS will not grant accommodations which excuse the need for a face covering while on campus or in the classroom. ACCESS will work with qualifying individuals to find reasonable alternatives, whenever such solutions are available. Please call or contact the ACCESS Office via email to schedule an online appointment to discuss potential alternatives. ACCESS office (Student Success Center, Room 1203, 618-650-3726, and myaccess@siue.edu).

General Health Measures

At all times, students should engage in recommended health and safety measures, which include:

- Conducting a daily health assessment. If you have COVID-19 symptoms, but not yet tested positive, have had COVID-19 close contact exposure, or are COVID-19 diagnosed

as presumptive or confirmed positive, stay home and contact your health provider or SIUE Health Service at cougarcare@siue.edu or 618-650-2842. More information on reporting procedures is available [here](#).

- Frequent washing or disinfecting of hands.
- Physical distancing.
- Face masks or face coverings that cover the nose and mouth are required in indoor public spaces regardless of the ability to maintain physical distance. Indoor public spaces include common spaces or community settings that anyone can access, such as reception areas with walk-in access, restrooms, hallways, classrooms, teaching and research laboratories, as well as common spaces in residence halls, conference rooms, lobbies, and break rooms.
- If present, adhere to directional signs and traffic flow patterns in buildings and offices. In many spaces, doors for entering and exiting buildings are designated.

Academic Integrity

Students are reminded that the expectations and academic standards outlined in the Student Academic Code (3C2) apply to all courses, field experiences and educational experiences at the University, regardless of modality or location. The full text of the policy can be found here: <https://www.siue.edu/policies/3c2.shtml>.

Recordings of Class Content

Faculty recordings of lectures and/or other course materials are meant to facilitate student learning and to help facilitate a student catching up who has missed class due to illness or quarantine. As such, students are reminded that the recording, as well as replicating or sharing of any course content and/or course materials without the express permission of the instructor of record, is not permitted, and may be considered a violation of the University's Student Conduct Code (3C1), linked here: <https://www.siue.edu/policies/3c1.shtml>.

Potential for Changes in Course Schedule or Modality

As the COVID-19 pandemic continues, there remains a possibility that planned classroom activities will need to be adjusted. Depending on circumstances and following state-issued recommendations, potential changes include changes in course modality (e.g., transition from face-to-face to online) or in course scheduled meetings. These changes would be implemented to ensure the successful completion of the course. In these cases, students will be provided with an addendum to the class syllabus that will supersede the original version.

Services for Students Needing Accommodations

Students needing accommodations because of medical diagnosis or major life impairment will need to register with Accessible Campus Community & Equitable Student Support (ACCESS) and complete an intake process before accommodations will be given. Students who believe they have a diagnosis, but do not have documentation, should contact ACCESS for assistance and/or appropriate referral. The ACCESS office is located in the Student Success Center, Room 1203. You can also reach the office by emailing us at myaccess@siue.edu or by calling [618-650-3726](tel:618-650-3726).

If you feel you would need additional help in the event of an emergency situation, please notify your instructor to be shown the evacuation route and discuss specific needs for assistance.

Diversity and Inclusion

SIUE is committed to respecting everyone's dignity at all times. In order to learn, exchange ideas, and support one another, our virtual and physical classrooms must be places where students and teachers feel safe and supported. Systems of oppression permeate our institutions and our classrooms. All students and faculty have the responsibility to co-create a classroom that affirms inclusion, equity, and social justice, where racism, sexism, classism, ableism, heterosexism, xenophobia, and other social pathologies are not tolerated. Violations of this policy will be enforced in line with the SIUE Student Conduct Code.

The Hub <https://www.siue.edu/csdi> is an excellent resource for students for support and community. Any person who believes they have experienced or witnessed discrimination or harassment can contact Ms. Jamie Ball, Director in the Office of Equal Opportunity, Access and Title IX Coordination at (618) 650-2333 or jball@siue.edu. There is also an online form for reporting bias incidents at https://cm.maxient.com/reportingform.php?SIUEdwardsville&layout_id=10.
