TO ALL MEMBERS OF THE SIUE COMMUNITY:

Southern Illinois University Edwardsville is firmly committed to Equal Employment Opportunity (EEO) and to compliance with all Federal, State and local laws that prohibit employment discrimination on the basis of age, race, color, gender, national origin, religion, disability, protected veteran status and other protected classifications. This policy applies to all employment decisions including, but not limited to, recruiting, hiring, training, promotions, pay practices, benefits, disciplinary actions and terminations.

As a government contractor, SIUE is also committed to taking affirmative action to hire and advance minorities and women as well as protected veterans and qualified individuals with disabilities. We invite employees who are protected veterans or are disabled, and who wish to be included under our Affirmative Action Program, to self-identify as such with the equal employment opportunity administrator in the Office of Equal Opportunity, Access and Title IX Coordination. This self-identification is strictly voluntary and confidential and will not result in any employment action of any sort.

Employees of Southern Illinois University Edwardsville, and those seeking employment with the University, will not be subject to harassment, intimidation, threats, coercion, or discrimination because they have engaged or may engage in filing a complaint, assisted in a review, investigation or hearing or have otherwise sought to exercise their legal rights related to any Federal, State, or local law regarding EEO for qualified individuals with disabilities or protected veterans.

The Offices of the Chancellor, Vice Chancellors, Deans, Directors, Chairs, Managers, and Supervisors adhere to these policies and procedures when conducting activities related to affirmative action and equal employment opportunity; employment decisions are made according to these principles and supervisors should understand their roles in achieving positive employment results. Employees must also be aware of the University's commitment to equal opportunity and are expected to comply with these policies and procedures. This is not only a legal obligation, but also an important manifestation of the values of the University. SIUE is dedicated to serving a diverse community that recognizes the inherent worth and dignity of each person. It is incumbent upon the SIUE community to approach this responsibility with consideration and sensitivity. Responsibility for this area is assigned to the Office of Equal Opportunity, Access and Title IX Coordination.

In furtherance of Southern Illinois University Edwardsville's policy regarding Affirmative Action and Equal Employment Opportunity, SIUE has developed a written Affirmative Action Program which sets forth the policies, practices and procedures to which the University is committed, ensuring that its policy of non-discrimination and affirmative action for qualified individuals with disabilities and qualified protected veterans is clear and effective. This Affirmative Action Program is available for inspection upon request by any employee or applicant for employment at www.siu.edu/ea or between 8:00 am - 4:30 pm in the Office of Equal Opportunity, Access and Title IX Coordination, Room 3316, Rendleman Hall. PART ONE

Affirmative Action Plan for Women and Minorities

I. INTRODUCTION

A. History of the University

Southern Illinois University Edwardsville (SIUE) traces its origin to a recommendation in 1956 by the Southwest Illinois Council of Higher Education to locate an institution of higher education in the region bordering Missouri in the greater St. Louis area. The Council was convinced that higher education facilities were needed in the Metro-East part of the greater St. Louis area. Council members hired consultants, whose reports documented that need, and appealed to Southern Illinois University, 100 miles south, to establish satellite campuses. In 1957, SIUE opened "residence centers" in Alton and East St. Louis, Illinois. The University expected to enroll 800 students. Nineteen hundred applied. By 1959, the number of students had doubled to 3800, greatly exceeding the physical facilities and demanding services faster than the University could develop and supply them. A planning team investigated sites in the Metro-East counties and selected one just south of Edwardsville. In 1960, the Illinois legislature authorized a bond issue for construction of a new state University campus. Voter approval came in November 1960. After two and one-half years of planning, University officials and area residents attended ground-breaking ceremonies for the first permanent buildings. The Edwardsville campus was created in response to these needs. Classes were first held on the Edwardsville campus in the fall of 1965.

The University mission is to create an environment of learning, research, and public service that provides the people of Southern Illinois with the opportunities and benefits of a comprehensive University. According to the University Mission, Values, and Diversity statement, "...the University strives to enhance regional access to the educational opportunities it offers. It recognizes an obligation to provide developmental opportunities for the educationally dispossessed; it pursues a commitment to meet the special needs of non-traditional students; and it makes every effort to maintain for all its students admissions standards, fees, schedules, and calendars which will encourage their access and support their progress."

SIUE continues to provide educational services and opportunities to citizens of the state, but its commitment goes beyond Illinois. The University is also committed to preparing well-educated, sensitive and responsible students to make positive contributions to the region, the nation, and the world.

Fringe benefits and conditions of employment (e.g., insurance programs, retirement benefits, leaves, credit union privileges, and other benefits) shall be provided uniformly to all individuals performing essentially the same duties in accordance with law, Civil Service rules, collective bargaining agreements, and/or University policies.
 - g. Opportunities for career development, promotion, and retraining shall be available to all full-time status Civil Service employees in a non-discriminatory manner and in accordance with Civil Service rules, collective bargaining agreements, applicable University policies, and the spirit of this Plan. Members of the protected groups shall be encouraged to take advantage of available development opportunities and benefits.
2. Policies and Guidelines for Part-Time Status Civil Service Employees:
- a. Units requesting a part-time status Civil Service employee shall use the Civil Service position descriptions and qualifications appropriate for the job classification as determined by Human Resources.
 - b. With the exception of those part-time status Civil Service positions governed by collective bargaining agreements, part-time status Civil Service positions shall be advertised openly for a length of time sufficient to allow interested individuals to apply. Positive steps shall also be taken to identify qualified members of the protected groups and inform them of the available position and the University's commitment to affirmative action.
 - c. All employment examinations and/or oral board reviews shall be conducted in accordance with Civil Service rules in a non-discriminatory manner, without regard for such factors as age, color, disability, marital status, national origin, race, religion, sex, sexual orientation, or veteran status. Special testing accommodations shall be available for qualified disabled individuals. Efforts shall be made to include qualified members of the protected groups on examining boards.
 - d. After completion of the recruitment process and the entry of applicants to the appropriate register, the hiring unit shall interview and select an applicant from those referred by Human Resources in accordance with Civil Service rules and this Plan. - g. Changing the status of part-time Civil Service employees shall be conducted in a manner consistent with Civil Service rules, applicable collective bargaining agreements, and the affirmative action goals and timetables of the unit.

E. Policies and Guidelines for Student Employees

Students are employed to perform a variety of functions throughout the University. The Office of Student Financial Aid shall develop and implement general policies and procedures that govern the Student Work Program in accordance with the law, Board of Trustees and University policies, and the general employment policies of this Plan. The Office of Equal Opportunity, Access and Title IX Coordination may develop guidelines for monitoring student work positions.

1. Units desiring to hire a student worker shall develop a position description and specific selection criteria that relate directly to job function.
2. All student work positions shall be advertised for a length of time sufficient to allow interested individuals to apply. The Office of Student Financial Aid shall take positive steps to inform members of protected groups of available positions and the University's commitment to affirmative action and equal employment opportunity.
3. The Office of Student Financial Aid shall refer applicants in accordance with appropriate University policies and without regard for such factors as age, color, disability, marital status, national origin, race, religion, sex, sexual orientation, or veteran status.
4. Hiring and selection decisions shall be based on non-discriminatory job related criteria.
5. Salaries and/or wages paid to students shall be consistent with the Office of Student Financial Aid and the University's pay guidelines.

F. Waiver of Search Requirements

Every effort should be made to advertise, post, and evaluate applicants for vacant positions. Additionally, promotional opportunities should generally be filled through a competitive process. Search procedures have been developed in order to ensure an open and competitive process to fill vacant positions. Filling vacancies through the search process assures that the

University maintains compliance with Federal and state affirmative action legislation in addition to offering assurance that units are hiring the most qualified candidates. However, in rare instances, a limited number of appointments and some promotions may be made without going through standard search procedures.

These positions are eligible for search waiver requests due to (a) the existence of University policy guidelines governing the appointment or search process; (b) urgent departmental/unit teaching needs that cannot be addressed through the normal search process (i.e., increased class enrollment at the beginning of a semester requiring an immediate teaching appointment); or (c) the unique talents and skills required for the position. Any request for a search waiver should include documentation of how the individual for whom the waiver is sought was identified.

Note: The eligibility of a position for a search waiver does not exempt a position from affirmative action requirements and equal employment opportunity regulations, including documenting good faith efforts to achieve diversity and ensuring non-discrimination.

To obtain a waiver, a Request for Waiver of Search Process form must first be approved by the appropriate Vice-Chancellor and then submitted for consideration and approval to Equal Opportunity, Access and Title IX Coordination. Refer to the EOA website regarding “Hiring Forms” for more information.

VI. ANALYSES

To meet compliance requirements, the University prepares a series of reports. These reports are a major component of the compliance function and the basis for conducting analyses required by Executive Order 11246. These analyses help identify areas of progress and good faith efforts, as well as areas needing further attention. The Office of Institutional Research and Studies and Human Resources provide employment data for these analyses.

A. Workforce Analyses

1. Utilization Analysis

The Utilization Analysis is comprised of three reports summarizing certain aspects of the University Workforce. These reports include the Job Group Analysis, Availability Analysis, and the Underutilization Analysis. The Job Group Analysis displays the Workforce combined into job groups (defined as one or more jobs with similar content, wage rates, and opportunities), and shows where women and minorities are employed throughout the University.

The Availability Analysis calculates availability estimates for women and minorities for each job group. These estimates are used in the goal setting process.

The Underutilization Analysis compares the current availability rates to current incumbency rates for women and minorities. This comparison is the basis for the establishment of placement goals for women and minorities. Data on women and minorities are analyzed separately to determine their respective utilizations, availability

rates, and placement goals. After accomplishing the utilization analysis and determining whether or not underutilization exists,² goals equal to availability rates are set in job groups in which underutilization occurs. Only full-time employee counts are included in the analyses.

2. EEO-6 Categories

The University's workforce is grouped into seven macro-groups for reporting purposes. These categories and their corresponding 2-digit identification codes are:

- 01 - Executive, Administrative, Managerial
- 02 - Faculty
- 03 - Professional/Non-Faculty
- 04 - Secretarial and Clerical
- 05 - Technical and Paraprofessional
- 06 - Skilled Crafts
- 07 - Service Maintenance

3. Job Groups

Job Groups consist of job titles that are similar and based on guidelines outlined in 41 CFR 60-2.12:

- Contain similar job content, compensation and opportunities.
- Parallel employment categories used in published data on the availability rates for minorities and women.
- Reflect, as nearly as possible, the logical structure inherent to the University.
- Where appropriate a job group will contain a sufficient number of employees for valid statistical analysis.

Job Groups are listed in Appendix F.

4. Determination of Availability

Availability is an estimate of the percentage of qualified women and minority candidates that are available for employment for each job group. This estimate is used as a benchmark to determine if barriers exist to women and minorities in the University's workforce.

² If the availability rate for a particular job group is larger than the corresponding utilization rate, then that job group is cited as being underutilized for that affected class. Goals are not established for those job groups in which utilization is equal to or greater than availability.

In accordance with 41 CFR 60-2.14, the University considered the following factors in determining availability:

- The percentage of women and minorities with the requisite skills available within what would be deemed a reasonable recruitment area (external availability).
- The percentage of women and minorities available within the SIUE workforce who are promotable, transferable, trainable (internal availability).

5. Reasonable Recruitment Area (Geographical)

The University's recruitment area has been identified for each job group through determining what may be the most likely and reasonable areas in which we may identify candidates for our positions. In determining the reasonable recruitment areas, SIUE takes appropriate measures to assure that areas are not drawn in such a way that may exclude potential women or minority candidates.

6. Determination of Internal Availability

SIUE analyzes promotion and other internal movements to determine which job groups serve as feeder groups. We use this data to determine who is promotable, transferable, and trainable within the institution. Furthermore, we have taken appropriate measures to ensure that internal availability is not constructed in such a way that has the effect of excluding women and minorities.

7. Goal Analysis

This analysis measures the overall goal performance of the University and identifies areas where good faith efforts occurred. Goals are established for job groups in which women and minorities are underutilized. Goals represent placement rates for the current year. For example, if the availability rate for female faculty is 20%, then the corresponding goal or placement rate is 20% for that year. Therefore, a unit having ten placement opportunities should hire two females.

The Office of Equal Opportunity, Access and Title IX Coordination distributes and discusses unit goals with appropriate administrators. Vice Chancellors, Deans, Chairs, Directors, Managers and Supervisors review goals established for their areas and develop plans to meet these goals. Human Resources also receives copies of this information to assist units with meeting goals.

8. Use of Placement Goals

Placement goals are important because they provide a means for quantitative evaluation. Goals are not quotas and are not used to discriminate against any applicant or employee. Goals are established and reviewed annually. Moreover, the University's establishment of placement goals does not constitute a finding or admission of discrimination.

B. Personnel Activity Analyses

1. Applicant Flow and Hire Analysis

Affirmative Action information is maintained on applicants seeking employment with the University. The Office of Equal Opportunity, Access and Title IX Coordination maintains applicant flow data on faculty, administrative and professional staff applicants, while Human Resources keeps information on applicants applying for Civil Service positions. This analysis determines the rate at which applicants and employees apply for and are selected for employment opportunities.

2. Promotional Analysis

This analysis measures how successful women and minorities were in applying for and obtaining advancement within their areas of employment or in other areas within the University. This analysis is conducted for both faculty and non-faculty promotions.

3. Termination Analysis

Terminations are defined as any separation from University employment (voluntary or involuntary). The Office of Equal Opportunity, Access and Title IX Coordination reviews terminations periodically to identify areas of potential adverse impact for women and minorities.

VII. IDENTIFICATION OF PROBLEM AREAS

Southern Illinois University Edwardsville performs in-depth analysis of its total employment process to determine if there are areas where minority and/or female groups may face impediments to equal opportunity. The following analyses are conducted in order to reveal any potential problem areas:

1. Placement Goals: An analysis of incumbency versus availability is performed to determine whether there are problems of minority or female utilization. Whenever a problem exists, as defined by the methodology Southern Illinois University Edwardsville uses, Placement Goals are set (see the Placement Goals report which follows this section).

For job groups that have Placement Goals, steps will be taken to encourage and increase the percentage of qualified females and/or minorities applying for positions both externally and internally. These steps may include, as appropriate, but are not limited to the following:

- Recruiting at colleges and universities with a significant percentage of minority and female students;
- Publishing job advertisements in newspapers and/or magazines that target females and/or minorities;
- Offering mentorship programs for female and minority employees;
- Offering job training to females and minorities currently employed by the University in order to increase their chances of advancing within the University;
- Offering tuition reimbursement to employees to obtain training that will increase their chances of advancing within the University;
- Using recruitment companies that specifically target females and minorities; and
- Continuing to use the services of their State Employment Service.

2. Review of Employment Decisions: Review of employment decisions is made in order to determine whether or not females/minorities are selected at a less favorable rate than males/non-minorities.

Review of Hires/Promotions: Whenever females/minorities are selected at a lower rate than males/non-minorities, a review of the applicant flow is conducted to determine possible reasons why females/minorities were not selected at a more favorable rate. If the University is attracting fewer than expected females/minorities that fit the qualifications for the job groups, good faith efforts will be put into place to attempt to improve the applicant flow of qualified females/minorities.

Review of Terminations: For non-voluntary terminations, if females/minorities are being terminated at a higher rate than males/non-minorities, a review of the employee files will be made to ensure that the University is applying its policies and procedures for termination equally for protected as well as non-protected classes.

3. Compensation: Compensation is reviewed at least annually in order to determine if there are significant discrepancies in pay when comparing female to male rates of pay and minorities versus non-minorities rates of pay. If discrepancies do exist, a thorough review is conducted to determine if the difference in pay is justified due to appropriate factors. If the difference in pay cannot be justified, Southern Illinois University Edwardsville will put a plan in place to address the issue.

VIII. INTERNAL AUDITING AND REPORTING

The University Auditing and Monitoring systems measure the overall effectiveness of the Affirmative Action Plan. These systems include procedures for auditing and monitoring goal progress as well as analyzing employment activities. The Office of Equal Opportunity, Access and Title IX Coordination is responsible for implementing these systems as outlined below.

A. Internal Audits

Internal Audits consist of periodically reviewing personnel activities (e.g. hires, promotions/transfers, terminations and other related employment activities) by job groups having the greatest impact upon the University's affirmative action goals and objectives. Other auditing steps include:

1. Reviewing the selection process, specifically how decisions are made, criteria used, and documentation supporting such decisions, especially where women and minorities are applicants.
2. Auditing selection and hiring processes in goal-related job groups.
3. Developing programs to assist units in meeting AA/EEO goals and objectives.

These and other audit tools enhance the University's ability to assess its equal employment opportunity commitment.

B. Reports

The University will maintain all necessary reports and supporting data necessary for auditing and monitoring purposes. These reports focus on goal progress, good faith efforts, problem areas, and include summaries of AA/EEO trends and patterns.

C. Monitoring

The University monitors its selection and hiring procedures to ensure that applicants and employees are afforded equal opportunity in employment and advancement opportunities. These include hires, promotions, transfers, and upgrades. To enhance this process, the Office of Equal Opportunity, Access and Title IX Coordination will:

1. Monitor opportunities occurring in goal-related areas.
2. Inform hiring official or a search committee when a position is targeted for monitoring purposes. The committee or hiring official may:
 - a. Meet with the Office of Equal Opportunity, Access and Title IX Coordination concerning monitoring procedures.
 - b. Develop a written recruitment plan designed to attract women and minority applicants.
 - c. Develop an interview questionnaire that:
 1. is job-related, and
 2. solicits information useful in selecting candidates.
 - d. Review applicant pool with the Office of Equal Opportunity, Access and Title IX Coordination within the following stages:
 1. after the close of the advertising period, but before the review and selection process starts;
 2. after the first “cut” of applicants; and
 3. after finalists are selected.
 - e. Provide specific reasons why candidates are selected or rejected, focusing on applicants’ education, experience, and background.

D. Documentation of Selection Process

Documentation of the selection process is an essential personnel practice, not only for affirmative action purposes but for use as a written record of how employment decisions are made. Departments are responsible for retaining all materials associated with personnel selection decisions for up to three (3) years. This includes copies of advertisements, resumes, correspondence with applicants, scoring or rating sheets and other materials associated with the selection process. These materials are available to the Office of Equal Opportunity, Access and Title IX Coordination upon request.

IX. ACTION-ORIENTED PROGRAMS

The University will develop procedures to address areas cited in Section VII during the

current plan year, including employment practices to ensure that equal employment policies and procedures are being carried out.

- The Office of Equal Opportunity, Access and Title IX Coordination will continue Monitoring hiring practices in job groups where underutilization³ or underrepresentation⁴ have been identified in Utilization Analysis.
- The Office of Equal Opportunity, Access and Title IX Coordination will develop appropriate procedures to address the underutilization and concentration of women and minorities within the workforce
- The Office of Equal Opportunity, Access and Title IX Coordination will deliver on-going search and selection training for search committees when the position is in job groups where underutilization or underrepresentation has been identified.
- The Office of Equal Opportunity, Access and Title IX Coordination, in concert with Human Resources, will continue its outreach to recruit, hire, and retain Hispanic and American Indian/Alaskan Native applicants and employees.
- The Office of Equal Opportunity, Access and Title IX Coordination continues to review personnel activities including hiring, selection and terminations to ensure that those activities are free from discriminatory actions.
- The Office of Equal Opportunity, Access and Title IX Coordination will develop other appropriate auditing measures to assess the University's compliance status, where and when appropriate.

X. COMPLIANCE GUIDELINES

A. Sex Discrimination

SIUE is committed to maintaining work and educational environments free of discrimination. In keeping with this commitment, the University does not tolerate discrimination against any employee, student or applicant because of gender or sex. Personnel policies and practices are reviewed to ensure that:

1. Policies and practices relating to promotion, training programs, and educational programs conform to these Guidelines and the Illinois Human Rights Act.
2. Employment advertising contains no sex or gender bias and contains the words "SIUE is an equal opportunity employer."
3. Employment policies and practices apply equally to either gender.

3 Underutilization occurs when there are fewer minorities and/or women in a specific job group than is reasonably expected by their availability.

4 Underrepresentation occurs when minorities and/or women are located in job groups in numbers significantly fewer than would be expected in terms of their overall representation in the University's Workforce.

4. Fringe benefits are accorded equally regardless of gender.
5. Wages and salaries are set on the basis of job content and responsibility and not gender.
6. Employment will not be denied because of an applicant's pregnancy (The Pregnancy Disc. Act of 1978).
7. Personnel actions are not based upon general assumptions about employment characteristics of women, nor on stereotyped characterizations of the sexes, nor on arbitrary preferences of hiring personnel.
8. The University will consider women and men for all jobs unless sex is a bona fide occupation qualification.

B. Family Medical Leave Act

The Family and Medical Leave Act of 1993 (FMLA or Act) allows "eligible" University employees to take job-protected, unpaid leave, or to substitute appropriate paid leave if the employee has earned or accrued it, for up to a total of 12 workweeks in any 12 months because of the birth of a child and to care for the newborn child, because of the placement of a child with the employee for adoption or foster care, because the employee is needed to care for a family member (child, spouse, or parent) with a serious health condition, or because the employee's own serious health condition makes the employee unable to perform the functions of his or her job. In certain cases, this leave may be taken on an intermittent basis rather than all at once, or the employee may work a part-time schedule.

(a) An employee on FMLA leave is also entitled to have health benefits maintained while on leave as if the employee had continued to work instead of taking the leave.

(b) An employee generally has a right to return to the same position or an equivalent position with equivalent pay, benefits and working conditions at the conclusion of the leave. The taking of FMLA leave cannot result in the loss of any benefit that accrued prior to the start of the leave.

(c) The University has a right to 30 days advance notice from the employee where practicable. In addition, the University may require an employee to submit certification from a health care provider to substantiate that the leave is due to the serious health condition of the employee or the employee's immediate family member. Failure to comply with these requirements may result in a delay in the start of FMLA leave. Pursuant to a uniformly applied policy, the University may also require an employee present a certification of fitness to return to work when the absence was caused by the employee's serious health condition. The University may delay restoring the employee to employment without such certificate relating to the health condition which caused the employee's absence. [60 FR 2237, Jan. 6, 1995; 60 FR 16383, Mar. 30, 1995]

The University personnel policies comply with federal and state guidelines in that employment will not be terminated or otherwise placed in jeopardy due to an employee's pregnancy, childbirth or related medical conditions. Employees may be eligible for up to 12 work weeks of unpaid leave during any 12 month period.

C. Sexual Harassment

Sexual harassment is a form of discrimination and is prohibited by University policy. The University's Sexual Harassment Policy and Procedures gives examples of prohibited conduct, the discipline that can be expected for engaging in such behavior, and procedures for handling complaints and conducting investigations.

Individuals seeking more information regarding allegations of sexual harassment should contact the Office of Equal Opportunity, Access and Title IX Coordination, Room 3310, Rendleman Hall, 618.650.2333. Copies of the University's Sexual Harassment Policy and the University's Sexual Harassment Complaint Procedures are available online at the following sites:

<http://bot.siu.edu/bot/leg/policies.html#2G>
www.siu.edu/policies/2c5.shtml

D. Religion and National Origin

The University prohibits discrimination based on religion and/or national origin. Religious beliefs, religious observances and practices of students and employees may be accommodated, unless an accommodation causes an undue hardship on the University. To determine whether an accommodation is unreasonable, the University considers at least the following factors:

- University necessity,
- financial cost and expenses to the University, and
- personnel problems that may result from an accommodation.

Questions regarding religious and/or national origin accommodations should be addressed to the Office of Equal Opportunity, Access and Title IX Coordination.

E. Women and Minorities Not in the Workplace

The University will notify women and minorities not currently in the workforce of employment opportunities. Openings will be posted with local and state agencies, and groups and organizations with clients who are either women and/or minorities.

F. Review of Qualifications and Obligations to Individuals with Disabilities and Veterans

The University periodically reviews job descriptions and job qualifications to ensure that individuals with disabilities, disabled veterans, qualified protected veterans are not being unfairly eliminated from employment considerations. SIUE takes affirmative action to employ, advance in employment, and otherwise treat qualified individuals with a disability without regard to their disability, including but not limited to recruitment, employment, promotion, compensation, training, layoffs, transfers, terminations, and job benefits.

G. Identification Invitation

The University will post notices inviting veterans and individuals with disabilities to identify themselves for affirmative action purposes. These notices are posted in Human Resources. Such information is strictly confidential and used for affirmative action purposes.

H. Compensation

The University does not reduce an employee's wages or salary because of disability income, pension, or other similar sources of payment.

I. Age Discrimination

The University prohibits discrimination on the basis of age in employment, benefits, training, promotional opportunities, terminations, wages and hours, and other related employment activities. It is against University policy to discriminate against a person age 40 or older. It is also illegal to discriminate against individuals within the group based on age. For example, preferring someone in their 40's over someone in their 50's.

J. Listing of Employment Openings

The University provides copies of current openings to the Vietnam Veterans Outreach Programs, the Illinois Employment Security Agency, and other related community organizations and agencies.

K. Coverage and Waivers

The University complies with all applicable coverage and waivers concerning affirmative action for individuals with disabilities, disabled veterans, and qualified protected veterans when appropriate.

L. Physical and Mental Qualifications

The University complies with rules, regulations, and relevant orders of the Secretary of Labor, issued pursuant to Section 503 of the Vocational Rehabilitation Act of 1973, Sec. 402 of the Vietnam Era Veteran's Readjustment Assistance Act of 1974, and the Americans with Disabilities Act of 1990.
2. The University may require an employee to undergo a comprehensive medical, mental, physical and / or psychological examination prior to employment or promotion provided that the results of such examination are used to meet the requirements of this Plan.
3. The University maintains confidential information obtained from any source regarding an applicant's or employee's physical or mental condition, except under the following conditions:

- a. Supervisors and Managers are informed of restrictions of work or duties of individuals with disabilities regarding accommodations.
- b. Medical and safety personnel are notified if a condition requires emergency treatment.
- c. Government officials are provided relevant and appropriate information when reviewing compliance requirements or complaints.

M. Promotions and Transfers

The University will make a good faith effort to advance and promote qualified individuals with disabilities, disabled veterans, and qualified protected veterans, when appropriate, through affirmative action efforts.

N. Good Faith Efforts

The University will make a good faith effort to recruit qualified individuals with disabilities, disabled veterans, and qualified protected veterans not currently in the workforce, through affirmative action efforts.

O. Individuals with Disabilities

The University fully embraces the policy of affirmative action and equal opportunity for individuals with disabilities as required by the Rehabilitation Act of 1973, The Vietnam Era Veteran's Readjustment Assistance Act of 1974, The Americans with Disabilities Act of 1990 (ADA) and Illinois Human Rights Act as amended. The University prohibits discrimination on the basis of disability in employment practices and policies or the provision of services, educational programs and activities, and other programs or benefits offered by Southern Illinois University Edwardsville.

University employees, students, applicants for employment and others needing information or seeking assistance regarding accommodations or complaint procedures may contact the University's ADA Coordinator in the Office of Equal Opportunity, Access and Title IX Coordination, Room 3310, Rendleman Hall, 618.650.2333. Students seeking assistance or information can contact the Office of Disability Support Services. Their website is located at <http://www.siu.edu/dss/>.

P. Determination of Disability

The University may require an employee to provide medical documentation of impairment, or may require the employee to undergo a medical examination to determine a person's disability and any reasonable accommodation if appropriate .

The University prohibits employment discrimination against “qualified individuals with disabilities.” A qualified individual with a disability is:

- an individual with a disability who meets the skill, experience, education, and other job-related requirements of a position held or desired, and who, with or without reasonable accommodation, can perform the essential functions of a job.

A person with a “disability” is an individual who:

- has a physical or mental impairment that substantially limits one or more of his/her major life activities;
- has a record of such an impairment; or
- is regarded as having such an impairment.

Q. Request for an Accommodation

The University will attempt to make good faith efforts to analyze requests (written or verbal) for an accommodation and enter into an interactive process with the requester, the requester’s supervisor, the University ADA Coordinator, and Human Resources to determine whether a reasonable accommodation exists or is appropriate.

Individuals who feel their request for an accommodation was not given serious consideration may contact the EOA for assistance.

R. Filing Complaints of Discrimination

The University has adopted policies and procedures against discrimination and harassment. Any SIUE employee, student, applicant for employment or admission or participant in a University program or activity who believes they have been unlawfully discriminated against on the basis of age, color, disability, marital status, national origin, race, religion, sex, sexual orientation, or veteran status may contact the Office of Equal Opportunity, Access and Title IX Coordination, Rendleman Hall, Room 3310, 618.650.2333. PART TWO

Affirmative Action Plan for Qualified Individuals with Disabilities and Qualified Protected Veterans

I. INTRODUCTION

This Section of the Affirmative Action Plan is designed to meet requirements that Southern Illinois University Edwardsville create an affirmative action plan for individuals with disabilities and covered veterans as required by federal and state law.

II. POLICY STATEMENT ON DISABILITY AND VETERAN STATUS

Under the Affirmative Action obligations imposed by Section 503 of the Rehabilitation Act of 1973 and Vietnam Era Veterans' Readjustment Assistance Act of 1974 (VEVRAA), as amended, it is the policy of the University to provide Equal Employment Opportunities and to advance in employment qualified individuals with a disability as well as qualified protected veterans. This policy is designed to employ and advance all qualified individuals with a disability and qualified protected veterans at all levels of employment, including the executive level. The University's policy of providing Equal Employment Opportunities to qualified persons with a disability and qualified protected veterans shall apply to all employment practices including, but not limited to: upgrading, demotion or transfer, tenure or promotion, layoff or termination, rates of pay or other forms of compensation, and selection for training. The University attempts to comply with all of the rules, regulations, and relevant orders of the Secretary of Labor and the Office of Federal Contract Compliance Programs (OFCCP), issued pursuant to Section 503 of the 1973 Rehabilitation Act and the 1974 Vietnam Era Veterans' Readjustment Assistance Act, as amended.

The University's Affirmative Action Program for qualified persons with a disability and qualified protected veterans is reviewed and updated annually. If there are any significant changes in the University's procedure, or if employee rights or benefits are modified as a result of an annual updating, these changes are communicated to employees and to applicants for employment.

On a strictly voluntary basis, the University invites all qualified protected veterans who are either employees or applicants for employment, and employees who have a disability, and who wish to benefit under the University's Affirmative Action Program to identify themselves to either their immediate supervisor or to the Office of Equal Opportunity, Access and Title IX Coordination. Any individual who identifies himself/herself will not be subjected to any form of harassment or retaliation based on his/her status or self-identification. Further, this self-identification will be kept confidential.

Employees and applicants shall not be subjected to harassment, intimidation, threats, coercion or discrimination because they have engaged in or may engage in any of the following activities: (1) filing a complaint; (2) assisting or participating in an investigation, compliance review, hearing, or any other activity related to the administration of Section 503 of the Rehabilitation Act of 1973, as amended, VEVRAA, as amended, or any other Federal, State or local law requiring equal opportunity for disabled persons or qualified protected veterans or; (3) opposing any act or practice made unlawful by Section 503 of the Rehabilitation Act of 1973, VEVRAA or its implementing regulations in this part or any other Federal, State or local law requiring equal opportunity for disabled persons or for qualified protected veterans; or (4) exercising any other right protected by Section 503 of the Rehabilitation Act of 1973, or its implementing regulations in this part or any other right protected by VEVRAA or its implementing regulations in this part. The University reviews personnel activities to determine whether present practices give careful, thorough and systematic consideration of the qualifications of individuals with disabilities, disabled veterans, and qualified protected veterans for employment opportunities filled either by hiring or promotion, and for all training opportunities offered or available.

SIUE will make good faith efforts to analyze requests (written or verbal) for an accommodation and enter into an interactive process with the requester, the requester supervisor, the University ADA Coordinator, and Human Resources to determine whether a reasonable accommodation exists, is appropriate or unless it is demonstrated that an accommodation would impose an undue hardship on the University.

University employees, students, supervisors, applicants for employment and others needing information or seeking assistance regarding this policy, accommodations or complaint procedures may contact the University's ADA Coordinator in the Office of Equal Opportunity, Access and Title IX Coordination, Room 3310, Rendleman Hall, 618.650.2333. Students seeking assistance or information regarding disabilities services or programs can contact the Office of Disability Services. Their website is located at <http://www.siue.edu/dss/>.

III. REVIEW OF PERSONNEL PROCESSES

Southern Illinois University Edwardsville reviews annually its personnel processes to determine whether its present procedures ensure careful, thorough and systematic consideration of the qualifications of known qualified individuals with disabilities and qualified protected veterans. This review covers all procedures related to the filling of job vacancies either by hire or by promotion, as well as all training opportunities offered or made available to employees.

In determining the qualifications of veterans, Southern Illinois University Edwardsville limits its consideration of a qualified protected veteran's military record, including discharge papers, to only that portion of the record, which is relevant to the specific job qualifications for which the veteran is being considered.

Based upon Southern Illinois University Edwardsville's review of its personnel processes, Southern Illinois University Edwardsville will modify the personnel processes when necessary, and will include the development of new procedures in this Affirmative Action Program to ensure Equal Employment Opportunity.

IV. PHYSICAL AND MENTAL QUALIFICATIONS

The physical and mental job qualifications of all jobs have been reviewed and are reviewed as new ones are established to ensure that, to the extent that such qualification requirements tend to screen out qualified individuals with disabilities and qualified disabled veterans, job qualifications are consistent with business necessity and the safe performance of the job.

No qualification requirements were identified which had a screening effect. All job qualification requirements were found to be job-related and consistent with business necessity and safety. The University will continue to review physical and mental job qualification requirements whenever a job is vacated and the University intends to fill it through hiring, promotion or transfer and will conduct a qualifications review whenever job duties change.

If at any time Southern Illinois University Edwardsville should inquire into an employee's physical or mental condition or should conduct a medical examination prior to a change in employment status, Southern Illinois University Edwardsville affirms that information obtained as a result of the inquiry will be kept confidential, except as otherwise provided for in Section 503 of the Rehabilitation Act of 1973 regulations. The results of the examination or inquiry will be used in accordance with the aforementioned regulations:

1. Supervisors, managers, and University officials may be informed regarding restrictions and accommodations for the work or duties of individuals with a disability.
2. Employees familiar with first aid may be informed, where and to the extent appropriate, if an individual with a disability might require emergency treatment.
3. OFCCP officials investigating compliance with either the 1973 Rehabilitation Act or VEVRAA, as amended.

V. REASONABLE ACCOMMODATION TO PHYSICAL AND MENTAL LIMITATIONS

It is the University's policy to make a reasonable accommodation to the physical and mental limitations of any employee with a disability and qualified applicants with a disability unless his/her accommodation imposes an undue hardship on the University's business (41 C.F.R. – 741.44(d); 250-44(d)). In determining the extent of the University's accommodation obligations, the following factors, among others, are considered:

1. Business necessity; and
2. Financial cost and expense.

Each applicant or employee is dealt with on an individual basis. Reasonable accommodations are made whenever possible and ongoing efforts include revision of facilities to make them accessible. The University makes every effort to provide suitable employment for those employees who become disabled while employed by us.

Some examples of reasonable accommodation include:

- job restructuring;
- modifying work schedules;
- reassignment to a vacant position;
- acquiring or modifying equipment or devices;
- adjusting or modifying examinations, training materials, or policies; and
- providing qualified readers or interpreters.

The University is not required to lower quality or quantity standards to make an accommodation. Nor is the University obligated to provide personal use items, such as glasses or hearing aids, as accommodations.

VI. HARRASSMENT PREVENTION PROCEDURES

Employees of and applicants to Southern Illinois University Edwardsville will not be subject to harassment, intimidation, threats, coercion, or discrimination because they have engaged or may engage in filing a complaint, assisting in a review, investigation, or hearing or have otherwise sought to obtain their legal rights related to any Federal, State, or local law regarding EEO for qualified individuals with disabilities or qualified protected veterans. Any employees or applicants who feel that they have been subject to harassment, intimidation, threats, coercion, or discrimination because of their disability or status as a qualified protected veteran should contact

the Office of Equal Opportunity, Access and Title IX Coordination for assistance. This policy is posted for employees and applicants to view.

VII. AUDIT AND REPORTING SYSTEMS

The University has designed and implemented audit and reporting systems that:

1. Measure the effectiveness of the University's programs;
2. Document personnel activities;
3. Identify problem areas where remedial action is needed; and
4. Determine the degree to which Southern Illinois University Edwardsville's AAP goals and objectives have been attained.

The following activities are reviewed at least annually to ensure freedom from stereotyping qualified individuals with disabilities and qualified protected veterans in any manner, including that which may limit their access to any job for which they are qualified:

1. Recruitment, advertising, and job application procedures;
2. Hiring, promotion, upgrading, layoff, recall from layoff;
3. Rates of pay and any other forms of compensation including fringe benefits;
4. Job assignments, job classifications, job descriptions, and seniority lists;
5. Sick leave, leaves of absence, or any other leave;
6. Training, attendance at professional meetings and conferences; and
7. Any other term, condition, or privilege of employment.

Southern Illinois University Edwardsville's audit system includes periodic reports documenting Southern Illinois University Edwardsville's efforts to achieve its EEO/AAP responsibilities. Managers and supervisors are asked to report any current or foreseeable EEO problem areas and are asked to outline their suggestions/recommendations for solutions. During the reporting, the following occurs:

1. The Office of Equal Opportunity, Access and Title IX Coordination will discuss any problems relating to significant rejection ratios, EEO charges, etc., with management; and
2. The Office of Equal Opportunity, Access and Title IX Coordination will report the status of the University's AAP goals and objectives to management. The Office of Equal Opportunity, Access and Title IX Coordination will recommend remedial actions for the effective implementation of the AAP.

VIII. RESPONSIBILITIES AND OBLIGATIONS
