

Graebe Fellows' STEM Scholarship Terms and Conditions, 2020 - 2021

Award Details

The Graebe Fellows' Scholarship is valid fall and spring semesters and will be continued, if renewal conditions are met, for up to eight semesters of undergraduate study across four academic years for new incoming Freshmen, and up to four semesters of undergraduate study across two academic years for transfer students. The award will be credited to the student's university account each semester. By accepting this scholarship as part of your financial aid award you agree to the terms and conditions of the scholarship detailed herein. Financial aid awards will be available beginning in March 2020 and can be accessed through your CougarNet account (www.siu.edu/cougarnet). Students must register and pay the enrollment fee for Springboard to Success (siue.edu/springboard) by May 1, 2020 if an incoming freshman in order to receive the award.

Graebe Scholarship in combination with other awards and financial aid

The Graebe Fellows' Scholarship will be applied to university charges on the student's account such as tuition, fees, housing and meal plan. Graebe Fellows' Scholarships will be considered awards to meet financial need in the packaging of financial aid. As a Graebe Fellow, you must file a FAFSA each year to prove need. Along with the \$7,500 received each academic year, SIUE assures eligible recipients sufficient grant and scholarship funds to meet their cost of attendance. Students who choose to enroll in a specialized program such as Pharmacy or Dental Medicine or to obtain a larger meal plan will be responsible to cover the additional costs. Students living in University Housing other than a shared room in Bluff, Prairie or Woodland Hall will be responsible to cover any difference in housing costs. Should the crediting of the scholarship in combination with other financial aid result in excess funds on the student's account up to the cost of attendance, the excess may be refunded to the student for personal expenses and books. The awarding of a Meridian Scholarship will supersede the Graebe Fellows' Scholarship.

Academic performance and student conduct

Continuance or renewal of the scholarship requires student to remain in good academic standing and completion of full-time enrollment each semester (minimum 12 hours). In addition to the renewal requirements for the scholarship, Graebe Fellows must also abide by the University academic policy as stated in the catalog and student handbook at www.siu.edu/registrar, the Satisfactory Academic Progress Policy for financial aid and scholarship recipients at www.siu.edu/financialaid, and the Student Conduct Code at www.siu.edu/policies. Graebe Fellows must keep address changes up to date with the University and must check SIUE e-mail often for important announcements.
