

**THE GRADUATE SCHOOL
NEW FACULTY INCENTIVE PROGRAM FUNDS
EXTERNAL SUBMISSION EXTENSION FORM**

Due to issues surrounding the COVID 19 pandemic, if needed, the Graduate School is allowing a one-year extension for faculty who began with SIUE during academic years 2019 or 2020 . For example, a faculty member who started in August 2018 could now be eligible until August 2021.

This completed extension form must accompany the NFIP application to process an application beyond the original two-year limit. Failure to do so will result in a denial of the application. Please ensure the form is complete with all signatures and information requested below. Please contact suieresearch@siue.edu with any questions.

To Be Completed by Applicant

My signature indicates that the following conditions related to the COVID 19 pandemic prevented submission of an external proposal within the original time period for the following reasons:

Signature

Printed Name

To Be Completed by Department Chair

My signature indicates it has been ascertained that conditions indicated above have caused this faculty member to be unable to meet the original deadline for submission of an external grant in order to qualify for New Faculty Incentive funds and that I approve this extension request for the stated reasons.

Signature

Printed Name

To Be Completed by School/College Dean

My signature indicates it has been ascertained that conditions indicated above have caused this faculty member to be unable to meet the original deadline for submission of an external grant in order to qualify for New Faculty Incentive funds and that I approve this extension request for the stated reasons.
