

Pamela L. Gay, Ph.D.

Title: Assistant Research Professor

Department: The STEM Center

Institution: SIUE

Email: pgay@siue.edu

Phone:

Web URL: cosmoquest.org

1. What are your current 3 main areas of research?

- Citizen Science (public engagement in science)
- Motivation of free choice learners / citizen scientists
- Communication of science via new / social / digital media

2. What are the top 3 areas of expertise/tools you are looking for in a research collaborator?

- Motivation research (psychology, social sciences)
- User Interface Design (computer science)
- Big Data Research (any science field)

3. What 3 skills/tools that you have access to, are you willing to share with a potential research collaborator?

- We have a large digital infrastructure for supporting public science initiatives
- We can facilitate social media / new media distribution of content
- We can contribute to solving big data software issues
