Faculty are to submit absence requests to their department chairs in advance, consistent with any applicable personnel policies and collective bargaining agreements. Except in cases of illness, injury, or unforeseen circumstance, faculty should submit such requests at least one week in advance. Absences for illness or injury to employees or family members lasting more than 3 days may require FMLA documents and medical certification. For additional information, please visit the SIUE policies for the appropriate employment type online at <https://www.siu.edu/human-resources/faculty-staff/compliance/policies-faculty>.

A release to return to work may be required if the employee is off work more than three days due to their own illness/injury. If applicable, refer to your bargaining unit agreement.
