Combined Appeal

The State and University Employees Advisory Board (SECA) is proud to announce the 2010 Annual campaign. Since 1983, SECA has generated funds to help those in need in our communities, nation and around the world. Please join us this year in supporting your annual campaign.

MISSION

We present opportunities for those involved in state service to contribute their financial support, time, talents, and knowledge to the community at large.

We endeavor to enhance the quality of life as we invest in service communities.

We provide a singular, ethical and secure manner in which individuals can donate to the charitable causes of their choice.

Benefits of Payroll Deduction

- Makes a meaningful gift over time through small contributions each pay period.
- Creates great employee morale and goodwill within the workplace through organized giving.
- Manage your own philanthropy — you know when deductions start and that they can be stopped at any time.
- Minimizes costs and maximizes the contribution.
- Easier method of giving rather than a larger one-time gift.
- Saves time and takes little effort.
- Proven to increase individual gifts to charity at least four times over a given period and increase the overall campaign four-to-five times over that same period.

EARTHSHARE OF ILLINOIS — Code 909-0000
Administrative and fund-raising costs for 2009 were 5.4%.
For more information, call (312) 795-3740; www.earthshare-illinois.org.

EarthShare is an alliance of America's leading nonprofit environmental and conservation charities, working across Illinois and the nation to protect human health and the environment.

The environment is our drinking water, our neighborhood parks, our children's schools, the air we breathe and the food we eat. Take care of the environment and it will take care of you.

Through the generosity of individuals at the workplace, EarthShare's members are helping locally, nationally, and globally every day to:

- Offset the harmful effects of global warming;
- Reduce the number of asthma attacks children experience due to poor air quality;
- Eliminate industry-caused mercury in our waterways and fish that can cause health problems;
- Plant millions of trees that clean our air, reduce topsoil erosion, and provide homes for wildlife;
- Save endangered species, like the California condor and giant panda, and their habitats;
- Conserve and restore Illinois prairies and their native species; and
- Preserve open space and parks for our recreation, exercise, and wildlife.

We make it easy for you to make a difference. You can give to EarthShare of Illinois or choose your favorite organization(s).

Administrative and fund-raising costs for 2009 were 13.2 percent.
 For more information, call (312) 845-2200 or go to www.UNCF.org.

America needs more college graduates. President Barack Obama has committed the country to regaining world leadership in the percentage of people with a college education.

Because America needs the teachers, scientists, public servants and good neighbors they will become. And it needs to make sure that African Americans and other minorities — who will be a majority of the population by 2050—get the help they need to attend college and graduate.

That means America needs UNCF.

UNCF knows how to get students into college, succeed there, and move on to careers of success and service. We give college scholarships to almost 9,000 students at more than 900 colleges each year. We provide financial and capacity-building support to the 39 historically black colleges and universities that are members of UNCF and their 55,000 students.

That's why more than 170,000 individuals, corporations and foundations invest in UNCF each year. Because America needs college graduates. Because it's the right thing to do. And because, "A mind is a terrible thing to waste.®"

LIVE UNITED™

In communities across America and here in Illinois, local United Ways are improving lives by mobilizing the caring power of their communities. Each United Way is a partner in change, delivering measurable results by working with a broad range of people and organizations to identify and resolve pressing community issues.

What differentiates United Way from other charities is its volunteer review process of programs and initiatives seeking funding. Each United Way chooses its funding criteria and priorities to fit their local community.

It doesn't matter how many programs or initiatives United Way supports. It's about United Way's work advancing the common good in communities across the country focusing on building blocks for a good life.

Join your friends and neighbors and **LIVE UNITED** by supporting your local community.

Local United Ways are independent 501(c) 3 not for profit organizations. As such, each United Way establishes their own policies and procedures for handling donor directed contributions. It is the intent of the SECA Advisory Board to list local United Ways and their member agencies according to how they handle these designations.

Where local United Ways list member agencies with a 7 digit SECA code the donor's directed contribution is automatically sent to the selected agency. Where local United Ways list agencies but do not include a SECA code, the contributions are distributed through the local United Way's volunteer review process.

Each local United Way determined how they would be listed in the 2010 SECA booklet and any questions should be directed to the specific local United Way.

To find out more about your local United Way,

Leadership in Giving

The Leadership Giving Circle recognizes individuals contributing \$250 or more to one or more charities in the Illinois State and University Employees Combined Appeal (SECA).

Individuals giving at the Leadership level serve as strong examples to others and share the desire to help meet critical needs in their community.

Commitment

Knowing we can rise above the problems facing our community, our state, and the world, we can accept the challenge to keep pace with ever-growing needs by accelerating growth in our campaign.

Recognition

To become a member of the Leadership Giving Circle, make your SECA pledge at the desired giving level. In addition, be sure to indicate your desire to be recognized at the Leadership Giving level or to have your gift remain anonymous, meaning that your name will not be reported to the charities you are supporting.

Individuals wishing to be recognized as members of the Leadership Giving Circle will have their names published on the SECA website, www.secaillinois.org.

A LETTER FROM THE SECA ADVISORY BOARD AND CHARITY REPRESENTATIVES

Dear Prospective Donor:

Thank you for considering SECA. Perhaps you have participated in the past, or perhaps you are newly familiar with the program. SECA allows you to give to charity over time either through annual payroll deduction or by writing a one-time check. You simply fill out a form indicating the amount you want to give, and turn it into your SECA ambassador. It's rather effortless, but very meaningful.

State and university employees and retirees have raised millions this way to help projects in their own backyards and beyond. In truth, the only hard part in giving may be narrowing your choice of charities from among all the qualified contenders listed in this booklet.

As you all know, it is increasingly hard to give. Your dollars are in constant demand. If your first instinct is not to give, I would ask you to think about the converse the reasons to give. Not only will you feel pride, but you'll be making a difference in the lives of people in need, the environment or animals. All the forms that come in from state and university in all different amounts, truly add up to making a huge impact on society.

Many people can't imagine life without the generous spirit and support of state and university employees like you.

Sincerely,

SECA Advisory Board
and Member Charities

— *JOINING THE SECA LEADERSHIP GIVING CIRCLE* —

Leadership in Giving

The Leadership Giving Circle recognizes individuals contributing \$250 or more to one or more charities in the Illinois State and University Employees Combined Appeal (SECA).

Individuals giving at the Leadership level serve as strong examples to others and share the desire to help meet critical needs in their community.

Commitment

Joining the Leadership Giving Circle is strictly voluntary. Contributions to SECA charities at any level are greatly appreciated and help make a difference in the lives of people who really need help.

Knowing we can rise above the problems facing our community, our state, and the world, we can accept the challenge to keep pace with ever-growing needs by accelerating growth in our campaign.

Recognition

To become a member of the Leadership Giving Circle, make your SECA pledge at the desired giving level. In addition, be sure to indicate your desire to be recognized at the Leadership Giving level or to have your gift remain anonymous, meaning that your name will not be reported to the charities you are supporting.

Individuals wishing to be recognized as members of the Leadership Giving Circle will have their names published on the SECA website, www.secaillinois.org.

STATE EMPLOYEES — PARTNERS IN GIVING

Participation in the State and University Employees Combined Appeal is important. Any gift is greatly appreciated and helps make a difference. Support of the SECA campaign demonstrates a willingness to help a single need or many needs within the community.

Thank you for your gift and understanding the impact and significance of a personal commitment through SECA.

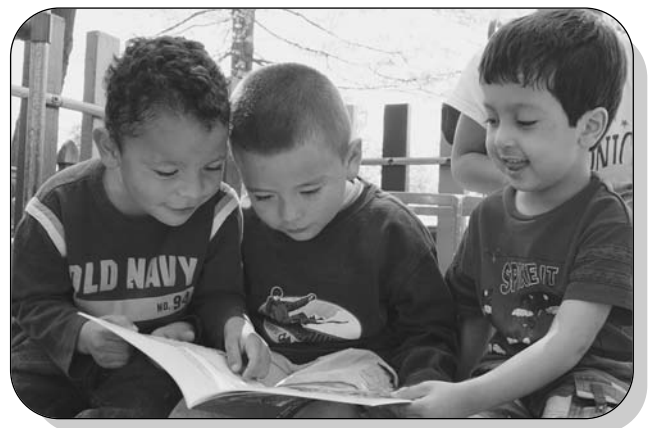

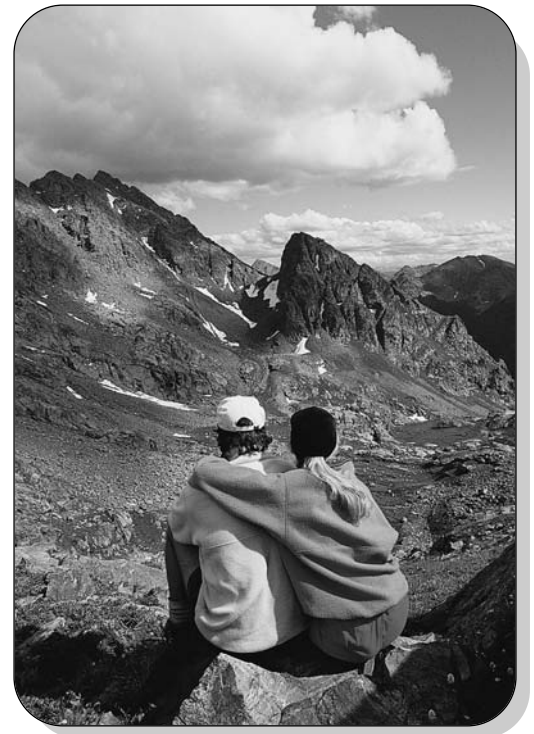

Benefits of Payroll Deduction

- Makes a meaningful gift over time through small contributions each pay period.
- Creates great employee morale and goodwill within the workplace through organized giving.
- Manage your own philanthropy — you know when deductions start and that they can be stopped at any time.
- Minimizes costs and maximizes the contribution.
- Easier method of giving rather than a larger one-time gift.
- Saves time and takes little effort.
- Proven to increase individual gifts to charity at least four times over a given period and increase the overall campaign four-to-five times over that same period.
