“Making it move is the name of the game at this exciting camp. Kids will love to see their creations in motion using LEGO wireless remote controls. Each day, campers will use fascinating and challenging LEGO components to create dynamic vehicles, inventions, machines, and more. As they enjoy the fun of building, campers will understand the basic working principles of many ingenious devices that are part of our everyday lives. Campers will also learn how to magnify, diminish, and redirect force to move objects at different speeds and in different directions. This camp is loads of fun and learning for our budding builders. For children ages 6-12.” – Bricks 4 Kidz

\$350 for entire camp week at Pole Position Raceway 9am-3pm

Writing Camp Our camp is for kids who love to write and explore their creativity, mainly within the genres of poetry and short fiction. We also spend some time on essay writing and autobiography. We are not remedial, but if you have a shy writer — one who is afraid of the blank page — this camp shows that sort of writer how to let go and not worry about judgment and red pencil marks.

Fee \$215
