INTRODUCTION

As of June 1, 2010, all individuals applying for a non-immigrant visa at the U.S. Embassy in Bangkok -- excluding K1-4 fiancé(e) visa class -- are required to submit a new visa application form, known as the **DS-160 Electronic Visa Application**. The U.S. Department of State developed this new application with a view toward streamlining and simplifying the visa application process, as well as offering greater privacy protection for visa applicants. This new application form offers several benefits to our visa applicants.

First, the new DS-160 simplifies the application process by replacing the previous forms: DS-156, DS-157, and DS-158. Applicants no longer have to worry about trying to determine which application to fill out.

Second, as the information provided in the form DS-160 is submitted electronically and can only be viewed by the applicant and Embassy staff, the new form offers a greater degree of privacy.

Third, the new DS-160 offers a family and group feature, so there is no need to fill in identical data more than once when completing visa applications for others in an applicant’s family or group.

Finally, as applicants are no longer required to print the various applications forms and bring them to the Embassy on the day of the visa interview, the new DS-160 is more environmentally friendly. Once an applicant has submitted the completed DS-160 online, all he/she has to do is print a single confirmation sheet!

This guide was developed to help assist visa applicants navigate the new DS-160 electronic visa application form. It provides a brief overview of the general questions that will be encountered during the DS-160 process. Some applicants may be required to answer additional questions not presented in this guide, as dictated by purpose of travel or other personal information.

**IMPORTANT NOTE:** It is important to remember that this application, like the previous ones, **must be completed in full** with accurate and truthful information. Errors and/or omission in your application, including questions incorrectly marked as “Does Not Apply” or "Do Not Know” may **result in your application being rejected** at the time of your visa interview and **may require you to resubmit the entire application and reschedule your interview appointment** for another day/time.

For information on how to schedule a visa appointment at the U.S. Embassy in Bangkok or for a list of other non-immigrant visa requirements, please visit the Visa Services section of our website at [http://bangkok.usembassy.gov/visas.html](http://bangkok.usembassy.gov/visas.html).
**STEP ONE: BEFORE YOU BEGIN**

Before you begin completing the DS-160 electronic visa form you should have your **national identification, passport, travel details, employment history, contact information, and all other important travel data on hand**.

The form takes on average 45 minutes to complete and will time out after 20 minutes of no activity. To avoid loss of data, we recommend data be saved to a hard drive, writable CD, or other media storage device (e.g. thumb drive) after you complete each section of the form. **DO NOT WAIT UNTIL YOU HAVE COMPLETED THE ENTIRE FORM TO SAVE IT.** If you fail to save the data as you go along and the form either times out or you experience a problem with your Internet connection, the data will be lost and you will be required to begin the process again from the start.

Also, please make sure that you have a **digital photo** that meets the standard photo guidelines for the DS-160 electronic visa form ready for upload. The following minimum requirements must be met or your photo will not be uploaded.

1. The photograph must not be older than six months.

2. The photograph must measure 2x2" (5x5 cm)

3. The photograph of the applicant's head must be between 1" to 1 3/8" (2.5 to 3.5 cm) when measured vertically.

4. The photograph must have a plain, light background; Full face view in which the visa applicant is facing the camera directly.

You can find a detailed list of the guidelines at [http://travel.state.gov/visa/guide/guide_3877.html](http://travel.state.gov/visa/guide/guide_3877.html).

Finally, before you start with the DS-160, please be sure that you determine **which type of non-immigrant visa you need**. Selecting the incorrect visa classification on the DS-160 **will result in your visa application being rejected** on the day of your visa interview and you may have to return to the U.S. Embassy on another day to continue the visa application process.

For more information on visa classifications, please visit our Visa Classification page on the U.S. Embassy Bangkok website at [http://bangkok.usembassy.gov/niv_visa_classification.html](http://bangkok.usembassy.gov/niv_visa_classification.html).

**PLEASE VERIFY THAT ALL INFORMATION IS COMPLETE AND CORRECT. YOU MAY NOT MAKE CHANGES ONCE YOU HAVE SUBMITTED YOUR APPLICATION.**
NOTE: Errors and/or omission in your application, including questions incorrectly marked as “Does Not Apply” or “Do Not Know,” may result in your application being rejected at the time of your visa interview and may require you to resubmit the entire application and reschedule your interview appointment for another day/time.
Sign and Submit Your Application

1. Read the information completely and carefully before dating, electronically signing and submitting your DS-160 electronic visa application. Enter your passport number and the code as shown in the box to the right of the data box, then click "Sign and Submit Application." 4. You may also email the confirmation to yourself or another individual (e.g. to the applicant if you are completing the DS-160 on someone’s behalf).
NOTE: The confirmation form is **NOT A VISA**. It serves as confirmation that the completed DS-160 electronic visa application form has been transmitted to the Embassy/Consulate that was indicated in the first step of the application process. In all but a few cases, individual applicants **MUST** appear for a visa interview in order to complete the visa application process.
Family and Group Option

The new DS-160 electronic visa application form includes a new "Family and Group" option that allows applicants to copy certain information into a new DS-160 application form. On the “Thank You” page you will see an option to create a family or group application. When you select this option, certain information from your application will automatically be imported to and displayed on a new application. Please note that you will still need to create an individual application for each of your family members traveling with you or for each individual within the group.

Other Required Documents

Please note that the DS-160 application form does not replace the following supplemental forms that must be completed and brought to the visa interview, depending on the selected visa category. Standard required supplemental forms include:

- Students (F visa): Form I-20 and SEVIS Receipt
- Exchange Visitors (J visa): DS-2019 and SEVIS Receipt
- Temporary Workers, Artists, Athletes, etc. (H, O or P visas): Form I-797
- Blanket L1 Applicants: Form I-129S
- Diplomats and Officials (A, G or NATO visas): Diplomatic Note
- Treaty Trader/Treaty Investor (E visa): Form DS-156E
- Ship/aircraft workers (B1 visa), crew (C1/D visa), and journalists (I visa): A letter from the employer verifying details of employment, and a letter from the inviting organization in the U.S., if applicable.

Important Reminder

PLEASE VERIFY ALL DATA BEFORE SUBMITTING YOUR DS-160 ELECTRONIC VISA APPLICATION FORM. Once you have submitted your DS-160 electronically, you may not go back and edit/revise the data.

DS-160 APPLICATIONS SUBMITTED WITH INCORRECT DATA AND/OR ERRORS MAY RESULT IN YOUR VISA APPLICATION BEING REJECTED ON THE DAY OF YOUR VISA INTERVIEW AND YOU MAY HAVE TO RETURN TO THE U.S. EMBASSY ON ANOTHER DAY TO CONTINUE THE VISA APPLICATION PROCESS.
Here are a few of the common errors applicants encounter in completing the DS-160:

- **Incorrect visa classification.** Be sure to choose the correct classification from the "Purpose of Travel to U.S." pull-down menu in the "Travel Information" section. If your purpose of travel is not covered in the list, click on "Other" for a further drop-down list of choices. Applicants who are seeking employment-authorized visas, such as H-1Bs, L-1s, H-3s should not select "Business/Conference Visitor" (B-1) or "Business/Personal Travel" (B1/B2). Doing so will cause your application to be rejected. Dual purpose travelers MUST be sure to include all relevant purposes of travel in the “Travel Plans” section of the application.

- **Incomplete or incorrect names.** Enter all names fully and correctly in English characters, exactly as they appear on the passport. All middle names should be entered. **Variations in spelling of names and aliases** should be noted under "Other Names" in the "Personal Information" section of the DS-160. Please be sure that you note ALL prior names and aliases used, as failure to do so may cause delays in the processing of your visa application.

### STEP FOUR: WHAT'S NEXT?

In Thailand, non-immigrant visa interviews are conducted by appointment only. To make an appointment for a non-immigrant visa, please visit [http://thailand.us-visaservices.com](http://thailand.us-visaservices.com) or contact the Visa Call Center at 001-800-13-202-2457.

PINs can be purchased online, by phone at 001-800-13-202-2457 with a credit card, or at participating Thailand Post Offices. For detailed information on how to purchase and use a PIN, please consult the How to Purchase and Use a PIN instruction guide on the U.S. Embassy Bangkok website.

Please be advised that to schedule a visa appointment at the U.S. Embassy through our visa services center, you will be required to provide your **DS-160 confirmation number**, which can be found on the DS-160 "Confirmation" page.

Most non-immigrant visa applicants also must pay a **non-refundable Machine Readable Visa (MRV) application fee**. The only exceptions
are people instructed by a consular officer not to pay the MRV application fee are exempt. The amount of the MRV application fee depends on the type of visa you are requesting.

MRV application fees must be paid in the Thai baht equivalent of the following dollar amounts:

- Petition-Based Employment and Work Visas (Category H, L, O, P, Q, or R): US$150
- Treaty Trader and Investor (Category E): US$390
- Fiancé(e) (Category K): US$350
- All other visa categories: US$140

The MRV application fee can be paid at any one of 260 designated Thai Post offices nationwide. You cannot pay the visa application fee at the U.S. Embassy Consular Section. Save your visa application fee receipt and bring it with you on the day of your interview. For general information about MRV application fees, please visit http://travel.state.gov/visa/temp/types/types_1263.html.

Once you have (1) completed your DS-160 electronic visa application, (2) made your visa appointment, and (3) paid your MRV application fee, you are ready to appear for your visa interview! Gather the documents you must bring with you on the day of your interview:

- Printout of your DS-160 application confirmation page with barcode clear and legible;
- Original MRV application fee receipt paid at Thai Post;
- Current valid passport;
- Appointment confirmation page from VisaPoint; and

Please note that applicants should arrive 30 minutes before the scheduled interview. If you arrive more than 30 minutes before your scheduled interview, you will be asked to wait outside of the Embassy. If you arrive more than an hour after your scheduled appointment, you will not be permitted entry and will be required to make a new appointment.
