Online International Orientation

Online International Orientation is required for **all new international students.** The Office of International Affairs encourages you to complete the orientation module before traveling to SIUE or before attending orientation. **We cannot validate your immigration status in the U.S. until you complete the online orientation module.**
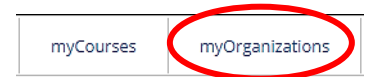

Instructions

- First go to the SIUE home page at www.siue.edu

- Then click on the Blackboard link on the bottom right-hand corner of the screen. This link will take you to the Blackboard login page (https://bb.siue.edu/)

- Click **Login** and use your e-ID and password

- If you haven't set up a net id please visit this link http://www.siue.edu/iss/arrival/setup-an-email.shtml to learn how to register for your ID

To Complete the Course

- To navigate to the course you can click the "**myOrganizations**" tab at the top of the page.

- Click on "**International Student Orientation**" in the left-hand menu. This will start the module. You may need to disable your pop-up blocker in order for the module to launch. There is sound, so complete the module using headphones or speakers. **NOTE:** You cannot skip ahead in the module without reviewing the content on each slide.

- Make sure to complete the module prior to arriving to SIUE in order for our office to validate your immigration record in SEVIS.
