

How to apply for University Housing at SIUE – International Students

Students are required to pay a \$300 housing advance payment to complete their housing application. International students have the choice to complete the online application and pay with a credit card or complete a paper application and pay with the international web payment option (Flywire) offered by the Bursar's Office. Options are explained below.

Option 1: Students can complete the online application at www.siue.edu/housing/apply. They will need their e-ID and password to log in and complete. They will be required to pay the \$300 via credit card or electronic check at the end. If they do not pay, it is not complete.
