

# International Education Week

- **Flag Ceremony Event**

- Represent your home country in the International Education Week opening ceremony. Carry your flag in a processional through the quad and stay for a short reception in the MUC Goshen Lounge

- **Talk Around the World**

- Help SIUE celebrate international languages through fun games, interactions, and cultural displays of world languages! Student volunteers are welcome to either be a lead presenter or assistant at our language booth activities

- **Cultural Performances**

- Share your culture with the SIUE community through a performance in the MUC Goshen Lounge (maximum of 15 minutes in length). Performance types include, but are not limited to: dance, song (singing and/or playing instruments), and spoken word. Group and individual performances welcome. Spots are limited.

- **Festival of Cultures**

- Share where you're from with the SIUE community through a booth highlighting your country or culture. Booths should include at least one interactive activity. Think of this as a mini-Festival of Nations!

- **Thanksgiving Social**

- Join us in sharing and celebrating the American holiday of Thanksgiving. We will gather to play board games, make a fall themed craft, and eat some delicious pie. Volunteers are needed to help with decorating and set up from 11:30 to Noon, and then with hosting a game or craft table for students to join in and play. Games and crafts will be provided.

- **General Volunteer**

- Want to help out but don't want to lead an activity? Be a General Volunteer (GV)! GVs will help with event set up and clean up, as well as help point students, faculty, and staff in the right direction
