

Change to Duration of Status: Mandatory Module & Webinars

ISSS has developed a mandatory training to help international students at SIUE understand the new **DHS final rule** to eliminate duration of status for F-1 and J-1 students.

The due date to complete this module is September 8, 2026.

Later this week, you will receive an email from “Homebase”, which is the platform used to create the module.

Go to Homebase

When you select “Go to Homebase”, you will be prompted to set up an account in order to view the training. Remember your login information because you will use this platform for trainings and forms throughout your time at SIUE.

After you complete the training, you’ll receive an automated email from Homebase that includes registration information for upcoming ISSS webinars about the DHS final rule. You may only attend the webinars once you’ve completed the training. Each webinar will give a brief overview of the rule, focus on specific changes, and provide time for student questions.
