

# Mail (Mac) Account Settings

## Issue

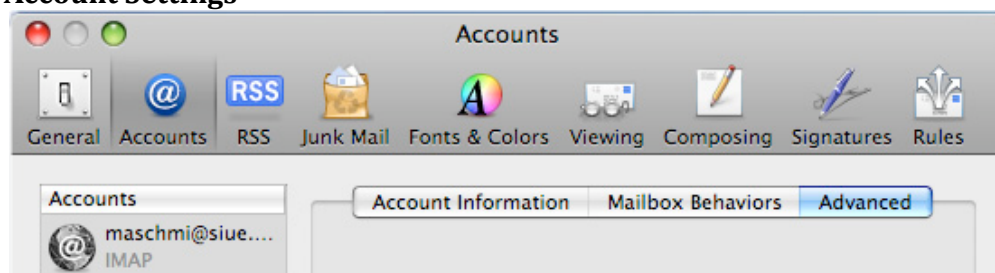

The mail has been moved. You use Mail (Mac) and you do not see your folders that you saw before. If after taking the steps that are outlined here and you still do not see your folders, call 650-5500.

## Change Mail Account Settings

Open Mail  
Log in to email  
From Mail (Menu Bar), Preferences  
Select Accounts and highlight SIUE email account  
Click Advanced  
IMAP Path Prefix: should be blank  
Close settings and confirm changes
