## 2019-2020 – Guidelines for Conducting Membership Intake: NPHC

**Acknowledgement:** *These guidelines have been adopted/adapted from the University of North Carolina at Charlotte's Office of Fraternity and Sorority Life's Guidelines for Conducting Membership Intake.*

The purpose of this document is to provide the fraternities and sororities of the SIUE Fraternity and Sorority Community, their advisors, and prospective members with a source of information regarding Membership Intake for chapters governed by the National Pan-Hellenic Council. Chapter members, chapter advisors and the Kimmel Student Involvement Center will work together to ensure a successful and positive experience for all involved.

In order for the Kimmel Student Involvement Center to assist chapters with the membership intake process and avoid potential problems, chapters must adhere to the following guidelines if they are to conduct membership intake at Southern Illinois University Edwardsville. In the event of a discrepancy between the Kimmel Student Involvement Center's Membership Intake Guidelines and an (inter)national organization's policies, the organization will follow whichever guidelines are stricter.

### **Meeting and Documentation:**

1. All chapters hosting interest meetings/informational meetings must submit their flyer to the Coordinator for Fraternity and Sorority Life **at least one week before** the meeting is to be held.
  - a. The flyer must include time, date, location, dress code, and any additional expectations of aspirants.
  - b. The flyer must be posted for a period of **no less than 3 days** prior to the meeting.
2. **Prior to the start date for education of aspirants/candidates**, the chapter president and chapter member responsible for membership intake will meet with the Coordinator for Fraternity and Sorority Life. At this meeting the chapter will submit/provide:
  - a. Any national or regional paperwork that needs to be signed by the Kimmel Student Involvement Center and/or campus fraternity/sorority advisor
  - b. Notice of Membership Intake
  - c. A calendar of events, which should include a timeline of any intake activities with dates, times, and locations. Activities must be approved **one week before** they commence. Activities to include on the calendar, if applicable:
    - i. Selection date(s)
    - ii. Start date of the new member's official process and education
    - iii. Initiation date
    - iv. Presentation of neophytes/new initiates
      1. Bring a copy of the space reservation confirmation (from Event Services) required to proceed with the activity of SIUE's campus.
      2. The date of the Neophyte/New Initiate Presentation must be approved by the Coordinator for Fraternity and Sorority Life
  - v. Any additional dates pertinent to a specific organization

### 3. Verification of Aspirants

- a. All chapters conducting membership intake must submit an Aspirant/Candidate Anti-Hazing Compliance Form for each aspirant/candidate. The compliance forms must be submitted **prior to the start date for education of aspirants/candidates**. These forms list the individuals approved by your chapter, graduate chapter advisor, your regional representatives, and/or national representatives as aspirants/candidates for membership. In cases where the national membership intake team conducts the intake process, all correspondence forwarded to any regional or local representatives should also be forwarded to the Coordinator for Fraternity and Sorority Life. The verification form contains the following information:
  - i. List of candidates for membership that will include each new member's:
    1. Full Legal Name
    2. Signature
  - ii. Original Signature of Chapter President

All documents supplied to the Kimmel Student Involvement Center are kept confidential from students, student workers, student leaders (including the respective governing council officers). They may be shared, at times, with university officials and national/regional staff as needed. In the event any dates and times need to be changed on the intake calendar of events, the chapter president or chapter member in charge of intake must notify the Coordinator for Fraternity and Sorority Life (in writing) **no less than 2 business days prior to the new event time**.

### **Neophyte/New Initiate Presentation Guidelines:**

All organizations must adhere to the following guidelines when presenting neophytes to the campus community.

1. Presentation of neophytes/new initiates must take place **no more than 30 calendar days** after the members have initiated into the organization.

  - g. In the event of an altercation during the presentation, those fighting will be disciplined immediately. If a member of the presenting organization is involved, the presentation show will be stopped immediately.
  - h. **No references to hazing and/or other illegal activities.**
  - i. If a neophyte/new initiate decides they cannot, or decides not to participate in the show, a written and signed letter by the neophyte/new initiate and the graduate chapter advisor must be submitted to the Coordinator for Fraternity and Sorority Life **no more than 5 calendar days before** the show explaining why they cannot, or have decided not to participate.
  - j. The duration of the presentation show should be **no longer than 2 hours**. Shows may not be scheduled to begin after 9:00 p.m. and must start **within 20 minutes of the scheduled time advertised on social media, flyers, etc.**

- i. Failure to start the presentation within 20 minutes of the schedule time advertised on social media, flyers, etc. will result in a \$50.00 fine payable to the National Pan-Hellenic Council.
- k. Following the show, members of the presenting organization must vacate the area **by the end of their scheduled reservation time from Event Services**. *This will help with crowd disbursement*. The presenting organization will be responsible for ensuring the site used is left in its original state after use.

### **From Southern Illinois University Edwardsville's Student Code of Conduct and the University Anti-Hazing Policy:**

Engaging in any pastime or amusement by students whereby such pastime or amusement is conducted for the purpose of holding up any student or other individual to produce mental or physical discomfort, embarrassment, harassment, or ridicule that poses a hazard to the health and safety of the person.

### **From the State of Illinois' Hazing Act:**

1. The **Illinois Hazing Act** defines hazing as follows: A person commits hazing who knowingly requires the performance of any act by a student or other person in a school, college, university, or other educational institution of this State, for the purpose of induction or admission into any group, organization, or society associated or connected with that institution if:

  - b. the act results in bodily harm to any person

## **Violations of SIUE Membership Intake Guidelines**

Violations of the membership intake process may result in probation or suspension. Whether the chapter will be placed on probation or suspension is based upon the infractions and is at the discretion of the Office of Student Conduct in partnership with Fraternity and Sorority Life staff.

Probation is noted by a period of scrutiny wherein if the chapter commits any violations of the intake process or any other rules set forth by the Office of Student Conduct in partnership with Fraternity and Sorority Life staff, the chapter will be placed on suspension.

Suspension is noted by a period wherein all social and formal programming (this includes community service, all fundraising activities, and intake functions) are prohibited. The suspension period will be determined by the Office of Student Conduct in partnership with Fraternity and Sorority Life staff.

Violations include, but are not limited to:

1. Intentional submission of improper paperwork (changing of dates on forms, falsifying original signatures, incomplete paperwork, etc.)
2. Holding membership intake without adhering to the SIUE Membership Intake Guidelines.
3. Hazing: Any violations of the SIUE Student Code of Conduct and the University Anti-Hazing Policy will result in a referral to the Office of Student Conduct.
4. Overt activity defined as any activity related to intake conducted in defiance of previous guidelines or warning by the Office of Student Conduct in partnership with Fraternity and Sorority Life staff.
5. Failure to adhere to Neophyte/New Initiate Presentation Guidelines.

Students found responsible for hazing will be subject to penalties outlined by the SIUE Code of Student Conduct, as well as any sanctions outlined by the (inter)national organization.

### **Guidelines for Review of Chapter Status for Suspension**

A meeting will occur that must consist of the following individuals:

1. Chapter president and/or one executive board member representative.
2. Graduate chapter advisor.
3. Fraternity and Sorority Life staff member.
4. Office of Student Conduct staff member.

All questions and concerns must be expressed by the chapter president to the Fraternity and Sorority Life staff member. If any questions regarding the guidelines arise, they may be discussed between the members of the chapter and the Fraternity and Sorority Life staff member. Final jurisdiction and decision-making authority rests in the hands of Office of Student Conduct.

### **Things to Remember for Membership Intake**

1. This packet **must be submitted prior to the start date for education of aspirants/candidates.**
2. Each chapter must submit a calendar of events for intake activities, and a Notice of Membership Intake form at the initial meeting with the Coordinator for Fraternity and Sorority Life. The calendar of events **must be approved at least one week before** any intake related activities commence.
3. The Notice of Membership Intake form must contain the original signature (no copies will be accepted) of the chapter president and the graduate chapter advisor.
4. Submit the date of the neophyte/new initiate presentation and bring a copy of the reservation confirmation required to proceed with the "show".
  - a. If this cannot be submitted at the initial meeting with the Coordinator for Fraternity and Sorority Life, then notification must be sent to the Coordinator no less than one week prior to the event. At this time, chapters must submit the necessary paperwork to proceed with the activity to the Kimmel Student Involvement Center.

Without the submission of the required paperwork, membership intake will not be approved by the University. In the event that membership intake activities begin without the knowledge and approval of the Coordinator for Fraternity and Sorority Life, and/or the chapter has not adhered to these written Membership Intake Guidelines, membership intake activities will cease immediately, and the chapter may be placed on suspension. These sanctions will be administered appropriately at the discretion of the Office of Student Conduct in partnership with Fraternity and Sorority Life staff.
