NEW BUSINESS

Bob Vanzo stated there was not much to talk about on campus right now. Tony Langendorf added that Lotteries will begin on Monday. He was not sure of the percentage of students on campus at this point. Ryan Fries added that he thought the average was 50 percentage of students on campus and 50 percentage of students online. Bob Vanzo added that the Lottery is offered to students to upgrade to a green permit instead of red or yellow. Since the lots are not full, there is no reason to have empty spaces in the green lots. Nicole inquired whether staff is able to upgrade. Bob answered, no, because staff have the option to purchase green permits anyway. Nicole Robinson also stated she received a question inquiring whether Parking would be reimbursing parking permit fees to staff as they did in 2020. Tony Langendorf replied refunds were given in 2020 due to COVID-19, but were not planned for 2021. Nicole asked if she could refer the person who asked this question to him, and Tony replied yes you may.
