<b>Total</b>	<b>18</b>	<b>Total</b>	<b>16</b>

<sup>^</sup>-Microbiology requires BIOL 220-Genetics as a prerequisite

## Traditional Admission

- Completion of the Pre-Pharmacy course requirements does not guarantee admission to the SIUE School of Pharmacy. In addition, courses that will meet the SIUE Pre-Pharmacy requirements may not meet the requirements for completion of other majors at SIUE.
- Admission to the professional program of the SIUE School of Pharmacy is limited and competitive and is not guaranteed based upon completion of the above Pre-Pharmacy curriculum.
- All Pre-Pharmacy courses must be completed by the end of the spring term prior to planned enrollment in the School of Pharmacy.
- Pre-Pharmacy courses must be completed with a "C" or better in order to be considered for admission to the professional PharmD program.
- Applicants must have a minimum 2.75 GPA in both Pre-Pharmacy courses and Pre-Pharmacy Science and Mathematics courses to be eligible to apply to the professional program.
- Applicants should begin the application process one year before intended Fall PharmD start date. Application should be submitted via PharmCAS.org, a centralized application service for schools of pharmacy.
- Applicants who have completed the application requirements and have met the minimum admission requirements are eligible to be invited for an on-campus interview and writing assessment.
- Students are encouraged to obtain healthcare experience and consider extra-curricular/volunteering activities.
