

Self-Study Template Undergraduate

- A. Table of Contents
- B. Response to the Recommendations from Previous Review
 - a. List the recommendations from the last program review
 - b. *Describe actions taken in response to the last Program Review, including instructional resources and practices, and curricular changes. (required for IBHE report)*
- C. Eight Year Status Report
 - a. Describe the program (include degree information, curriculum, admission standards, academic standards, graduation requirements, course sequence and course descriptions)
 - b. Describe how the students in the program are advised and/or mentored
 - c. Describe the Senior Assignment. Describe how the senior assignment integrates the knowledge and skills in general education program and major program?
 - d. Does the program provide students with opportunity to apply their knowledge and skills? If so, describe.
 - e. To what extent does the program demonstrate a rigorous course of study and learning experience for students? (The program should discuss results from the faculty and student surveys here as well as data from the grade distribution reports.)
 - f. Explain how the program sets a standard of excellence.
 - g. Describe outstanding program achievements of recent and current students
 - h. Describe outstanding achievements of faculty
 - i. Describe any external recognition of the program as a whole
- D. Student Learning Outcomes
 - a. How do program learning goals and outcomes fit with the SIUE Objectives for the Baccalaureate Degree?
 - b. List student benchmarks or learning outcomes
 - c. In what ways do you analyze student learning?
 - d. *Description and assessment of major changes in the program [e.g., (a) assessment data, (b) changes in the overall discipline or field, (c) societal need, (d) institutional context for offering the degree, (e) other elements appropriate to the question] . (required for IBHE report)*
 - e. *Description of evidence of learning outcomes and program improvement. (required for IBHE report)*
- E. Program Information¹
 - a. Describe enrollment data (required for SIU President's Office)
 - b. Enrollment and recruitment plans – Describe optimal enrollment, maximum enrollment goals, and current activities and future plans for achieving these marks. (required for SIU President's Office)
 - i. Include a discussion of plans for recruitment of underrepresented and international students.
 - c. Describe demographic data (from Institutional Research and enrollment sheet)
 - i. Include a description of data based on race/ethnic, non-resident alien (international), male/female, and ability status.
 - d. Describe recent trends in graduations/completions.
 - i. How long do students take to complete the program?
 - ii. Do there appear to be concerns with retention and/or completion?

¹ If there are different transcriptable or non-transcriptable options within the program, please present information for each and discuss individual patterns to the extent possible. Most importantly, tie this information to the discussion of the program as a whole. Differentiating in this way may be most appropriate for part C – H. You may not be able to make distinctions on all points.

- iii. How does SIUE's completion data over the past 8 years compare to other institutions in the region? (*Emsi trend report provided by ESRA*)
 - iv. Describe trends by race/ethnicity, international students, male/female, and ability status.
 - v. What does the program do to facilitate student completion while maintaining rigor? (required for SIU President's Office)
 - e. Attach CV from faculty (tenure and non-tenure)
- F. Program Resources
 - a. Describe facilities/resources your program has or needs to achieve program goals, including goals related to diversity.
 - b. If the program has enrollments under the optimal level, what is the program doing to redirect resources to other areas of the department, school/college, or university?
 - c. If the program has enrollments exceeding the optimal level, what is the program doing to accommodate this growth?
- G. Survey Data
 - a. Summarize data from student and faculty questionnaires designed and implemented by the program for the program review. This survey will be designed by the program and administered by the Office of Assessment.
 - b. Summarize alumni survey data (from institutional research)
- H. Program Market Demand
 - a. Summarize data from Emsi Program Market Demand report provided by ESRA
 - b. Summarize job attainment indicators including total jobs attained by alumni and geographic distribution of job attainment by alumni using Emsi reports provided by ESRA
- I. Strengths
 - a. List and describe
- J. Areas for Improvement
 - a. List and describe

Please provide an appendix to your Self-Study that contains **1) Faculty Survey Data, 2) Graduate or Undergraduate Student Survey Data, 3) Faculty Vitae and 4) Program Assessment Plan 5) ESRA's 8-year Regional Completions Report 6) EMSI Program Market Demand Report 7) EMSI Alumni Job Attainment Report**
