This record series consists of files generated and maintained by Southern Illinois University Edwardsville (SIUE) for its Excellence in Undergraduate Education (EUE) program. The EUE program awards funding to faculty, staff, and students for innovative projects in undergraduate education and is administered through the Faculty Development Council (FDC) of the Faculty Senate and the Office of the Provost and Vice Chancellor for Academic Affairs. The program is offered annually with one award distribution period for projects, pending budget availability.

Contents of these files may include, but are not limited to: requests for proposals; proposals/applications with required information and all applicable statements of support; evaluation criteria and scoring rubrics; award letters; project progress and final reports; other supporting documents; and related correspondence.

Recommendation: Retain for three (3) years after date of award, and then transfer to the University Archives for permanent retention.
