Registrar Operations – Office of Registrar

Overview

The Faculty Detail Schedule page in Banner Faculty Self-Service will display a faculty member's schedule for the selected term. Both primary and non-primary instructors with instructional assignments can access this page.

Accessing the Self-Service Page

The Faculty Detail Schedule can be accessed in **CougarNet** by selecting:
Faculty and Advisors > Faculty Detail Schedule.

Page Functionality

After the Faculty Detail Schedule loads into your browser, you may need to select a term, or if a term is already present you can leave the current term in the dropdown box or select a different term.

Then select your class by using the CRN dropdown.

The screenshot shows the top portion of the Faculty Detail Schedule page. It features a red header with the Southern Illinois University Edwardsville logo. Below the header, there is a breadcrumb trail: "Faculty and Advisors > Faculty Detail Schedule". The main title "Faculty Detail Schedule" is centered. Below the title, there are two dropdown menus: "Term" and "CRN". Both dropdowns currently show "Select" as the chosen option.

After selecting Term and CRN the page will automatically load and should look similar to the following.
