

- 1) Understanding vocabulary is part of reading.
- 2) Having a bigger vocabulary will help me in conversations in daily living and to transition to college.

Self- Test Questions (Evaluation):
Do I ...

1. ...understand the definition?
2. ...see examples of using the word in sentences?
3. ...understand part of speech and use of word?
4. ...know how to write the word in a sentence?

Tasks/Strategies:

- Dictionary - definitions
- Brainstorm usage with partner
- Write definitions and sentences using the word
- Act out usage of word for others/for class
- Compare new words to words you already know
- Flash cards for practice
