Ordering an Entrée (main meal)

(Lessons)

Lesson Topic:
Ordering a Salad

IS ABOUT

1. Look at or ask what type of salads they have

4. Decide if you want the salad as a meal or before the rest of the food you want to order

2. Look at or ask types of salad dressings

Telling a server what kind of salad and what kind of dressing you want

3. Tell type of salad and type of dressing you want

5. Tell server when and how you want your salad

DISCUSSION: Relationship -1) Lesson to Unit AND 2) Importance of Lesson to Daily Life

- Ordering a salad is part of ordering in a restaurant.
- Being able to order in a restaurant will make life more fun, being able to take your kids out, or you may need to order as part of work in a business lunch.

- Did I look at or ask what type of salads they have?
- Did I look at or ask types of salad dressings?
- Did I tell the type of salad and type of dressing?
- Did I decide if I wanted the salad as a meal or before the rest of the food I want to order?
- Did I tell my server when and how I want my salad?

Tasks/Strategies:

- Get copies of menus and look at types of salads and dressings
- Divide into partners and practice
- Class field trip to restaurant to practice
