Suzuki Violin Volume 1. https://www.sharmusic.com/products/suzuki-violin-school-violin-part-vol-1-2007-ed	Adjustable cello stool. After years of toil with cello stools, I now commission handmade cello stools, built to my specifications. These stools will last the student until they are tall enough to sit on a standard height chair, around middle school age. \$135, add \$15 if they need a set of short legs (very small children). I'll bring the stools to your lesson (cash, check, or Venmo).
	Pre Twinkle Book. This is your "book" for Pre-Twinkle and has descriptions of the activities and sticker charts to mark activities that have been done. \$10, get from me.
	Small stickers (to put in the Pre Twinkle book). Dollar Tree usually has a selection of stickers.
