

An online summer course especially for Madison County Teachers!

Community Engaged Digital History (HIST 400)

When: July 2– August 4

Where: Online!

Community Engaged Digital History (HIST 400) gives Madison County teachers the opportunity to explore topics of local interest and importance.

SIUe History Department faculty will teach the techniques used in public history, oral history, and digital archiving and offer ways in which these methods can be used in lesson plans that uphold the Illinois social science standards.

Nine applicants will be offered tuition scholarships to cover the course.
