Completion of an Associate in Arts or Science degree at Kaskaskia College fulfills SIUE’s general education requirements, with the exception of an Interdisciplinary Studies course that all students must take during their junior and senior year at SIUE.

This “Transfer Program Guide” is an example of proposed curriculum for students to use while completing their associate’s degree. Reading, writing and math placement could alter the course sequencing and transfer date. Therefore students should begin sequencing their reading/writing (if applicable) and math & science courses during the first semester, paying close attention to prerequisites. Students have the option of taking summer classes to lessen fall and spring course loads.

It is highly recommended that students meet with a KC advisor each semester. Please see “Important Student Notes” located on page two of this transfer guide.

Students receive an automatic Social Science Education minor with the completion of the degree. Recommended non-POLS KC courses for completion of this minor (with grades of “C” or higher): GEOG 104, ANTH 101, SOCO 101, ECON 205, ECON 206: Minor requirements can be completed at KC or SIUE.
IMPORTANT STUDENT NOTES

The preceding information is provided to assist students in the transfer process. In no way does this document substitute for meeting with an academic advisor. Students are advised to meet on a regular basis with advisors at KC. Courses taken through dual credit can be applied to required SIUE coursework; please contact KC advisor for more information. Please consult Kaskaskia College catalog for additional graduation requirements.

Students have 2 options when pursuing a Bachelor’s degree in Political Science – Secondary Education.
• A Bachelor of Arts degree will require 2 semesters of the same foreign language, which can be taken at either KC or SIUE, in addition to 8 Humanities and/or Fine Arts Courses (some of which will be completed with the Associate in Arts.)
• A Bachelor of Science degree will require completion of 8 courses in life, physical, or social science, in addition to 2 courses with a lab component (some of which will be met with the completion of the Associate in Arts.)

Students should begin a file with an SIUE Education Advisor after their first semester at KC by calling the SIUE “School of Education, Health, and Human Behavior” Student Services office at 618-650-3940. Students do not have to be admitted to SIUE before beginning their file
